

INTERNATIONAL JOURNAL OF ENERGY APPLICATIONS AND TECHNOLOGIES
(IJEAT)

International Journal of Energy Applications and Technologies is aimed at presented a chance to students, researchers, research scholars, teachers, authors and other professionals in the field of research in energy technologies subjects, to publish their original and current research worldwide, international community. It publishes original articles, review articles, case studies, book reviews, short communications, and hypotheses on the fundamentals, applications, and management of energy technologies. In the process of blind peer reviewed various international experts, world renowned scientists were engaged in the past.

IJEAT has been published since 2014. The authors have transferred the publishing rights of all articles published in the journal to IJEAT. Publication of these articles in other publications is strictly prohibited.

Printed in TURKEY-eISSN 2548-060X
