

Welcome Address of the Congress President

Anatomy 2024;18(Suppl 2):Siv ©2024 Turkish Society of Anatomy and Clinical Anatomy (TSACA)

Dear Colleagues, Participants, and Friends,

It is with great pleasure and excitement that we extend a heartfelt welcome to the **15th International Symposium of Clinical and Applied Anatomy**, which will be held in the vibrant city of Swansea, located in the heart of South Wales. Known for its stunning Swansea Bay and the breathtaking Gower Peninsula, Swansea offers a perfect backdrop for our annual meeting.

The thematic title for this year's meeting is '**Anatomy Waves**'. A broad title to encourage you to present any recent 'ebbs and flows' in anatomical sciences.

This year, our gathering will take place at the historic **Singleton Campus of Swansea University**, from **27th to 30th June 2024**. Together, let us dissect the intricacies of clinical and applied anatomy, sharing insights and pushing the boundaries of our understanding.

We look forward to welcoming you all for an enriching and enjoyable experience with your expertise and passion for morphological sciences.

Kind regards,

Assoc Prof Marcela Bezdickova

Honorary President, Swansea University Medical School
