

From the Editor

Dear JCER reader,

We are excited and happy to publish the last issue of 2018 (December Volume 6, Issue 12). We will be with our readers in the same excitement in each of our future issues. In the present issue, there are 10 research articles. Two of these studies are in English as whole texts.

Many thanks to the authors who have shared their studies with us as well as to the referees who have made contributions with their valuable ideas and DergiPark Team.

We look forward to seeing you in the next issue of the Journal of Computer and Education Research (JCER).

Yours Sincerely,

Editor-in-Chief
