EDITORIAL

Dear healthcare members; as of March 2020, our journal has published the first issue of “**Journal of Medicine and Palliative Care**”. The fact that we are in the DergiPark adds strength to us. Due to the wide range of interests, and that the international editorial board is very different from the experts and that almost every branch of health sciences attention has been paid to the fact that they are arranged in an inclusive manner. Our aim is national (Ulakbim, Türkiye Citation Index etc.) and international (Index Medicus, SCI, SCI-E, Scopus, Index Copernicus, DOAJ, etc.). Health sciences and medicine the increasing number of academicians and articles in the field are editors and advisory board. Always recommended to improve the quality of our repertoire and that we are open to constructive criticism and that we will show the necessary sensitivity to the I want to specify. Thank you in advance for your scientific contributions to our journal, and present my respects.

EDİTÖRDEN

Değerli sağlık mensupları; Mart 2020 itibariyle dergimiz “**Journal of Medicine and Palliative Care**” ilk sayısını çıkartarak yayın hayatına başlamış bulunmaktadır. DergiPark bünyesinde olmamız bize güç katmaktadır. İlgili alanının çok geniş olması nedeniyle ulusal ve uluslararası editörler kurulunun çok farklı uzmanlardan olmasına ve sağlık bilimlerinin hemen her branşını kapsayacak şekilde düzenlenmesine dikkat edilmiştir. Amacımız ulusal (TR-Dizin, Türkiye Atıf Dizini vs.) ve uluslararası (Index Medicus, SCI, SCI-E, Scopus, Index Copernicus, DOAJ vs.) indekslere girmektir. Sağlık bilimleri ve tıp alanında giderek artan akademisyen ve yazı sayısı, özelleşen uzmanlık alanlarını göz önüne alarak geniş bir editörler ve danışmanlar kurulu listesi oluşturmuş bulunmaktayız. Dergimizin kalitesini yükseltmek için her zaman önerilere ve yapıcı eleştirilere açık olduğumuzu ve bu konudaki bildirimlere gereken hassasiyeti göstereceğimizi belirtmek isterim. Dergimize vereceğiniz bilimsel katkılar için şimdiden teşekkür eder, saygılarımı sunarım.
