

Journal of **Design Studio**

Journal of Design Studio is a peer reviewed journal published two issues per year, **July** and **December**. Journal of Design Studio is an open access electronic journal. There is not a publication charge. Articles appeared in the journal cannot be used, whole article or in part, without proper referencing.

The journal aims to publish scientific articles based on design studio education of different disciplines, especially in architecture, interior design, urban design, industrial design, communication design, graphic design, fashion design and all other design disciplines.

In addition to publication of scientific papers, the journal may include good studio practices and book reviews in the field.

All articles in the journal are subject to two peer reviewers evaluation, all articles can be published after publishing decision of this peer review process.

AIM

The aim of the Journal of Design Studio is bringing different design studio researchers together on a multidisciplinary design studio research platform. This design studio research platform gives the researchers who made experimental studies in their design studio education to share their works with the other researchers in the same area or similar research fields. The scope of the Journal of Design Studios include all research and experimental works realized in all type of design studios.
