

Editorial Principles

bilig aims to present the rich culture and the historical and current realities of the Turkish world within a scientific framework through the publication of scientific research of international standards about the Turkish world.

bilig publishes scholarly articles in the social sciences dealing with the historical and current problems of the Turkish world and suggesting ways of resolving them.

Submissions to **bilig** must be either original articles making significant contributions to studies in the field or essays of analysis evaluating previously published studies while presenting novel and worthwhile perspectives.

Submissions to **bilig** must not be previously published elsewhere and must not be under consideration for publication by another publishing agency. Papers presented at scientific meetings or conferences may be submitted to **bilig** on condition that this is explicitly stated at the time of submission.

bilig is published quarterly.

Ahmet Yesevi University Board of Trustees holds the copyright of articles accepted for publication in **bilig**.

Authors hold the sole responsibility for the views expressed in their articles published in **bilig**.

Submissions to **bilig** must be sent to the below address in three copies, two of which do not contain author information. Submissions must be sent electronically at the same time.

Detailed editorial principles of **bilig** can be found by visiting www.yesevi.edu.tr and clicking on the journal's icon.
