Dear readers,

We enjoy reaching you with our first issue. Our journal has set out with the aim of having the quality of an academic journal that academicians, researchers, those who want to publish their studies, career policy makers and career centers will follow carefully, publishing on time and being scanned in reputable indexes in a short time.

This issue consists of five articles, three of which are original research articles and two of which are review articles. We thank everybody for their voluntary support during the publication process. We will be happy to invite papers from all researchers studying in different fields of career.

Sincerely yours

Assoc. Prof. Dr. Dođan BOZDOĐAN & Dr. Lec. Aslı YERLİKAYA

Editor-in-Chief
