EDITORIAL

Our dear readers,

We are proud to have published the first issue of our journal for 2021. Covid-19 pandemic is unfortunately still existing. I wish all of our healthcare professionals to get over this difficult period as soon as possible. In this issue of our journal, we are here with 12 research articles, 6 case reports. An increasing number of articles with strong scientific content come to our journal day by day. We all make an intense effort to increase our journal's scientific quality with each new issue. We offer our endless thanks to all contributors and authors. We hope that our journal will be useful to our readers.

Sincerely yours,

Assoc. Prof. Dr. Alpaslan TANOGLU
Editor in Chief

Original Article

Is procalcitonin a good marker for *Acinetobacter* infections? 1

The medical center preference of patients with head and neck cancer and factors that affect this preference 5

Favorable effects of close telephone follow-up on *Helicobacter pylori* eradication success 10

The effect of C-reactive protein, procalcitonine, neutrophil/lymphocyte levels on mortality and duration of hospital stay in pneumonia 15

Evaluation of oxidative stress in pregnant with chronic hepatitis B and C..... 20

Treatment outcomes of pulmonary multidrug-resistant tuberculosis: 10 year follow up study..... 26

Female sacrococcygeal pilonidal sinus features and EQ-5D life quality survey and body image survey results: a clinical study..... 31

Evaluation of factors which determining survival of SARS-COV-2 infected patients in intensive care unit 36

Invasive home mechanical ventilation (I-HMV) experience at a palliative care center 44

Analysis of JAM-A T>C (rs790056) and LFA-1 2120 G>C (rs2230433) gene variations in uterine leiomyoma: a pilot study 48

Does intracytoplasmic sperm injection and the risk of gestational diabetes in patients with polycystic ovarian syndrome?..... 53

The effect of opioid receptor gene polymorphism (A118g) on postop tramadol consumption after gynecologic surgery performed with pfannenstiel incision..... 59

Case Report

An atypical presentation of cutaneous leishmaniasis 66

**Corpus spongiosum abscess presented as new-onset diabetes in an adult patient:
a case presentation 69**

**A rare Meckel’s diverticulum complication in inguinal hernia: case report of
Littre hernia..... 72**

A rare case of atypical accessory bile duct: Luschka channel..... 75

**Revealing the dilemma in COVID-19 pneumonia: use of the prone thorax CT imaging
in differentiation of opacifications due to dependent zone and pneumonic consolidation..... 78**

**Radiologic features of pulmonary cement embolism after percutaneous vertebroplasty
in a case report 81**
