

ACTA ORTHOPAEDICA et TRAUMATOLOGICA TURCICA

CONTENTS OF ISSUES OF VOLUME 48 (2014)

Page	Title	Authors	Type
Number 1			
1-5	Relationship between range of motion and femoral rollback in total knee arthroplasty	Carvalho Jr et al.	Original Article
6-9	Versajet hydrosurgery system in the debridement of skin necrosis after Ca gluconate extravasation: report of 9 infantile cases	Sivrioğlu et al.	Original Article
10-16	Effects of Aircast brace and elastic bandage on physical performance of athletes after ankle injuries	Günay et al.	Original Article
17-24	Distribution and evaluation of bone and soft tissue tumors in the middle Black Sea Region	Dabak et al.	Original Article
25-31	Reverse shoulder arthroplasty: radiological and clinical short-term results	Atalar et al.	Original Article
32-36	Use of femoral nail with spiral blade in subtrochanteric fractures	Umer et al.	Original Article
37-42	Normal hip, knee and ankle range of motion in the Turkish population	Hallaçel et al.	Original Article
43-49	Differences in body fat mass, muscular endurance, coordination and proprioception in woman with and without knee pain: a cross-sectional study	Özer Kaya et al.	Original Article
50-54	An assessment of sleep quality in patients undergoing total knee arthroplasty before and after surgery	Er et al.	Original Article
55-60	Aggressive fibromatosis: evaluation of prognostic factors and outcomes of surgical treatment	Küçük et al.	Original Article
61-66	Middle-term therapeutic effect of the sacroiliac joint blockade in patients with lumbosacral fusion-related sacroiliac pain	Bükéri et al.	Original Article
67-72	Association between attention deficit and hyperactivity disorder and Perthes disease	Türkmen et al.	Original Article
73-79	A comparison of epidural analgesia and local infiltration analgesia methods in pain control following total knee arthroplasty	Binici Bedir et al.	Original Article
80-85	Effects of two different solutions used in pin site care on the development of infection	Çam et al.	Original Article
86-91	Efficacy of 5-Fluorouracil in inhibition of unintended bone formation in spinal surgery: a histological evaluation on a rat model of spontaneous spinal fusion	Kiter et al.	Exp. Study
92-97	The efficacy of the hemostatic agent Ankaferd blood stopper on end-to-end unilateral sleeve fish-mouth anastomosis	Karasoy Yeşilada et al.	Exp. Study
98-101	A case of osteoid osteoma in the distal radius epiphysis with atypical onset	Deveci et al.	Case Report
102-105	Bipolar dislocation of the forearm (floating forearm)	Aşkar et al.	Case Report
106-108	An unusual complication following total hip arthroplasty: median circumflex femoral artery pseudoaneurysm	Mutlu et al.	Case Report
109-116	Orhan Abdi (Kurtaran) (1877-1948) and chapters related to orthopedic surgery in Ameliyât-ı Cerrâhiye [Operative Surgery] in its centennial	Bagatur et al.	Historical Overview
Number 2			
117-121	Effect of body mass index on functional recovery after total knee arthroplasty in ambulatory overweight or obese women with osteoarthritis	Dere et al.	Original Article
122-126	Mid-term results of Oxford Phase 3 unicompartmental knee arthroplasty in obese patients	Çepni et al.	Original Article
127-135	Comparison of simultaneous bilateral with unilateral total knee arthroplasty	Ekinci et al.	Original Article
136-140	Giant cell tumors of bone: nonsurgical factors associated with local recurrence	Teixeira et al.	Original Article
141-146	Red cell distribution width and mortality in patients with hip fracture treated with partial prosthesis	Zehir et al.	Original Article
147-151	Morphometry of the medial tibial plateau in Turkish knees: correlation to the current tibial components of unicompartmental knee arthroplasty	Küçükduymaz et al.	Original Article
152-156	Treatment of thoracolumbar burst fractures using combined pedicle screw-laminar hook fixation	Kaymaz et al.	Original Article
157-163	Simultaneous bilateral lengthening of femora and tibiae in achondroplastic patients	Kocaoğlu et al.	Original Article
164-168	Flexion-adduction-external rotation method for shoulder dislocations	Gül et al.	Original Article
169-174	Clinical evaluation of the anterior translation of glenohumeral joint using ultrasonography: an intra- and inter-rater reliability study	Joseph et al.	Original Article
175-180	Management of tennis elbow with topical glyceryl trinitrate	Özden et al.	Original Article
181-186	Surgical reconstruction in Wassel type IV thumb duplication	Kayalar et al.	Original Article
187-195	Mesenchymal stem cell application improves tendon healing via anti-apoptotic effect (Animal study)	Selek et al.	Exp. Study

196-201	Biomechanical comparison of antirotator compression hip screw and cannulated screw fixations in the femoral neck fractures	Sağlam et al.	Exp. Study
202-206	Restoration of pull-out strength of the failed pedicle screw: biomechanical comparison of calcium sulfate vs polymethylmethacrylate augmentation	Güler et al.	Exp. Study
207-211	Robotic hip arthroscopy: a cadaveric feasibility study	Işık et al.	Exp. Study
212-216	Effects of enoxaparin and rivaroxaban on tissue survival in skin degloving injury: an experimental study	Azboy et al.	Exp. Study
217-222	Preventive effects of coenzyme Q10 (CoQ10) on steroid-induced osteonecrosis in rats	Kömürcü et al.	Exp. Study
223-225	A novel method for the removal of distal part of broken intramedullary femoral nail	Singh et al.	Technical Note
226-230	Traumatic hemipelvectomy: case presentation	Kayalara et al.	Case Report
231-235	Neglected patellar tendon rupture with anterior cruciate ligament rupture and medial collateral ligament partial rupture	Gülabi et al.	Case Report
236-239	Osteochondroma of the talus: an unusual location	Boya et al.	Case Report

Number 3

241-248	Cross-cultural adaptation, reliability and validity of the Turkish version of the Hospital for Special Surgery (HSS) Knee Score	Narin et al.	Original Article
249-252	Missed isolated posterior malleolar fractures	Özler T et al.	Original Article
253-258	Evaluation of surgical and non-surgical interventions for clavicle fractures	Yang et al.	Original Article
259-261	Component alignment in total wrist arthroplasty: success rate of surgeons in their first cases	Ocampos et al.	Original Article
262-270	Treatment of diaphyseal forearm atrophic nonunions with intramedullary nails and modified Nicoll's technique in adults	Saka et al.	Original Article
271-275	The extensor hallucis longus tendon as the distal reference point in total knee arthroplasty and tibial alignment	Bilgen et al.	Original Article
276-282	Arthroscopic characteristics of meniscal injuries in osteoarthritic knees	Li et al.	Original Article
283-289	The effect of progressive eccentric and concentric training on functional performance after autogenous hamstring anterior cruciate ligament reconstruction: a randomized controlled study	Kınıklı et al.	Original Article
290-297	Treatment of superior labrum anterior posterior lesions: a literature review	Huri et al.	Original Article
298-302	Application of three-dimensional model in the management of irreducible atlanto-axial dislocation	Lin et al.	Original Article
303-306	The efficacy of cell saver method in the surgical treatment of adolescent idiopathic scoliosis	Akgül et al.	Original Article
307-312	Intramedullary skeletal kinetic distractor in lower extremity lengthening	Karakoyun et al.	Original Article
313-319	Does insulin, transferrin and selenous acid preparation effect chondrocyte proliferation?	Gökçe et al.	Exp. Study
320-325	Histomorphological comparison of immobilization and denervation atrophies	Ceylan et al.	Exp. Study
326-332	Effects of bone drilling on local temperature and bone regeneration: an in vivo study	Karaca et al.	Exp. Study
333-338	Investigation of mechanical strength of teicoplanin and ciprofloxacin impregnated bone cement on Day 1 and Day 15	Gölge et al.	Exp. Study
339-345	The effects of melatonin and caffeic acid phenethyl ester (CAPE) on fracture healing under ischemic conditions	Erdem et al.	Exp. Study
346-354	The effect of organic silicon injection on Achilles tendon healing in rats	Gereli et al.	Exp. Study
355-362	The effects of resveratrol on tendon healing of diabetic rats	Zeytin et al.	Exp. Study
363-366	Irreducible fracture-dislocation of the knee	Green et al.	Case Report
367-370	Patellar ligament rupture during total knee arthroplasty in an ochronotic patient	Sahoo et al.	Case Report
371-378	Evaluation of primary bone lymphoma and the importance of positron emission tomography	Çıraklı et al.	Exp. Study
379-381	A rare cartilaginous tumor in the phalangeal bone: enchondroma protuberans	Beytemür et al.	Exp. Study
382	Bipolar dislocation of the forearm (floating forearm)	Aşkar et al.	Erratum

Number 4

383-387	Concomitant ipsilateral proximal tibia and femoral Hoffa fractures	Jain et al.	Original Article
388-395	Correction of femoral supracondylar varus malunions after condylar buttress plating by using retrograde locked intramedullary nailing	Wu	Original Article
396-400	The learning curve of proximal femoral nailing	Altıntaş et al.	Original Article
401-405	Treatment of comminuted mid-diaphyseal clavicle fractures by plate fixation using a bridging technique	Sokucu et al.	Original Article
406-412	Functional outcomes of minimal invasive percutaneous plate osteosynthesis (MIPPO) in humerus shaft fractures: a clinical study	Huri et al.	Original Article

413-418	Arthroscopic single-bundle versus triple-bundle anterior cruciate ligament reconstruction	Zhang et al.	Original Article
419-423	Outcomes for revision total knee replacement after unicompartmental knee replacement	Akan et al.	Original Article
424-430	Cementless bipolar hemiarthroplasty for unstable intertrochanteric fractures in octogenarians	Kim et al.	Original Article
431-436	Treatment of scaphotrapezial trapezoidal osteoarthritis with resection of the distal pole of the scaphoid	Marcuzzi et al.	Original Article
437-442	Acute postoperative cervical spinal epidural hematoma	Yin et al.	Original Article
443-448	Reduction and arthrodesis with sublaminar spiral silk in atlantoaxial joint instability	Kotil et al.	Original Article
449-454	Effects of platelet-rich plasma on nerve regeneration in a rat model	Küçük et al.	Exp. Study
455-458	Deep vein thrombosis after arthroscopic anterior cruciate ligament reconstruction in a patient with primary thrombocytopenia	Kang et al.	Case Report
459-462	Endovascular treatment of an iliac artery rupture caused by invasive Salmonella spondylodiscitis	Kurşun et al.	Case Report
463-466	Distal tibial osteochondroma causing fibular deformity and deep peroneal nerve entrapment neuropathy: a case report	Genç et al.	Case Report
467-471	Gorham-Stout's disease in the metatarsus: a case report	Gem et al.	Case Report
472-474	Comment on: Prevalence of bone mineral density testing and osteoporosis management following low- and high-energy fractures	Gogna et al.	Letter To The Editor

Number 5

475-478	Core curriculum (CC) of spinal surgery: a step forward in defining our profession	Acaroğlu et al.	Original Article
479-482	Role of surgeon handedness in transpedicular screw insertion	Yaman et al.	Original Article
483-490	Tourniquet use in orthopedic surgery: a descriptive survey study among Turkish orthopedic surgeons and residents in Istanbul	Yalçinkaya et al.	Original Article
491-494	Perioperative versus postoperative measurement of Taylor Spatial Frame mounting parameters	Sokucu et al.	Original Article
495-499	Iliac bone cysts adjacent to the sacroiliac joint: an unusual cause of sacroiliac pain	Bekmez et al.	Original Article
500-506	Effect of adjuvant therapies on recurrence in aneurysmal bone cysts	Keçeci et al.	Original Article
507-512	Femoral insufficiency fractures in the elderly – Excessive medial femoral bowing complicates intramedullary nailing	Özsoy et al.	Original Article
513-520	Fixation of intertrochanteric femur fractures using Proximal Femoral Nail Antirotation (PFNA) in the lateral decubitus position without a traction table	Turgut et al.	Original Article
521-526	Comparison of retrograde intramedullary nailing and bridge plating in the treatment of extra-articular fractures of the distal femur	Demirtaş et al.	Original Article
527-532	Quality of life in war-related hip disarticulation in Iran	Masoumi et al.	Original Article
533-540	Reliability of the Radiographic Union Score for Tibial Fractures	Çekiç et al.	Original Article
541-545	Isolated subtalar fusion for neglected painful intra-articular calcaneal fractures	Yavuz et al.	Original Article
546-552	Results of surgical management of valgus-impacted proximal humerus fractures with structural allografts	Atalar et al.	Original Article
553-557	Relationship between axillary nerve and percutaneously inserted proximal humeral locking plate: a cadaver study	Esenyel et al.	Original Article
558-562	Stiff elbow: Distraction interposition arthroplasty with an Achilles tendon allograft: long-term radiological and functional results	Ersen et al.	Original Article
563-569	Functional outcomes of repair of Achilles tendon using a biological open surgical method	Arslan et al.	Original Article
570-575	Effect of BMI on the clinical and radiological outcomes of pilon fractures	Çeçen et al.	Original Article
576-583	Articles published in Acta Orthopaedica et Traumatologica Turcica between 2003-2012: content, characteristics and publication trends	Yalçinkaya et al.	Original Article
584-589	Humeral surface anatomy and percutaneous plate advancement: a cadaveric study	Huri et al.	Exp. Study
590-592	Acromioclavicular joint tuberculosis: apropos of two cases	Mittal et al.	Case Report
593-597	Sauvé-Kapandji and reverse Sauvé-Kapandji procedures for treating chronic longitudinal radioulnar dissociation with capitellum fracture	Hernández-Cortés et al.	Case Report
598-601	A rare case of primary psoas abscess causing hip pain in a patient with hip replacement	Dhinsa et al.	Case Report
602-606	Arthroscopy-assisted treatment of Hoffa fracture associated with ipsilateral femoral shaft, tibial eminence and Malgaigne fractures	Akan et al.	Case Report
607-610	Synovial hemangioma and osteoarthritis of the knee: a case report	De Gori et al.	Case Report
611-614	A new method to correct rotational malalignment for closed reduction and percutaneous pinning in pediatric supracondylar humeral fractures	Turgut et al.	Technical Note

Number 6

615-622	Factors associated with severe postoperative pain in patients with total hip arthroplasty	Petrovic NM et al.	Original Article
623-627	Analysis of the complications of the collum femoris preserving (CFP) prostheses	Li M et al.	Original Article
628-634	Effects of circulating endothelial progenitor cells, serum vascular endothelial growth factor and hypogammaglobulinemia in Perthes disease	Sezgin H et al.	Original Article
635-641	Effects of severity of osteoarthritis on the temporospatial gait parameters in patients with knee osteoarthritis	Taş S et al.	Original Article
642-648	Effects of slow and accelerated rehabilitation protocols on range of motion after arthroscopic rotator cuff repair	Düzgün İ et al.	Original Article
649-654	Diabetic hand infections and hyperbaric oxygen therapy	Aydın F et al.	Original Article
655-660	Fourth and fifth carpometacarpal fracture dislocations	Kural C et al.	Original Article
661-666	Degenerative changes in the interspinous ligament	Zhang JF et al.	Original Article
667-672	Comparison of platelet-rich plasma and steroid injection in the treatment of plantar fasciitis	Say F et al.	Original Article
673-678	Influence of number and orientation of screws on stability in the internal fixation of unstable femoral neck fractures	Gümüştaş SA et al.	Exp. Study
679-684	The effects of locally applied simvastatin on an experimental mouse femur nonunion model	Koçer A et al.	Exp. Study
685-689	Pseudomonas osteomyelitis of the proximal humerus after arthroscopic rotator cuff repair	Aydın N et al.	Case Report
690-692	Tuberculosis tenosynovitis of the flexor tendons in the wrist: a case report	Anoumou MN et al.	Case Report
693-697	Isolated foot metastasis of squamous cell carcinoma of the lung: a rare location	Kaynak G et al.	Case Report
698-702	Hip dislocation associated with ipsilateral femoral neck and shaft fractures: an unusual combination and dilemma regarding head preservation	Sharma G et al.	Case Report
703-706	The complete type of suprapatellar plica and lipoma arborescens: a case report	Erduran M et al.	Case Report
