e-ISSN 2791-9935

Bandırma Onyedi Eylül Üniversitesi, 2015 yılında kurulan genç ve dinamik bir üniversitedir. Tıp Fakültemiz 2020 yılında kurulmuş ve 2021 yılında akademik kadrosu ile üniversitemizde faaliyete başlamıştır. Tıp Fakültemiz, Üniversitemizin genç ve dinamik yapısının avantajı ve öğretim üyelerimizin özverili çalışmaları ile hızlı bir gelişim gösteren, ülkemizin değişimine ve gelişimine katkı sunan, uluslararası rekabetin içinde yer alan bir fakültedir. Bir yıl gibi kısa bir sürede akademik çalışmaların yayınlanabileceği Hipokrat Tıp Dergisi'ni yayın hayatına kazandırmıştır.

Hipokrat Tıp Dergisi, sağlık alanındaki bilimsel gelişmelerin yanı sıra, geleneksel ve tamamlayıcı tıp uygulamaları (GETAT), biyoteknoloji dalları ile birlikte koruyucu hekimlik konularıyla ilgili dış hekimliği, beslenme ve diyetetik, sağlık hizmetleri yönetimi disiplinleri ile ilgili yayınları ulusal ve uluslararası tüm tıbbi kurum ve personele ulaştırmayı hedefleyen bir bilimsel dergidir. Tıp Fakültemizin heyecan ve umudunu gördükçe, bizler de yarınlarımız adına umutlanıyor ve bu enerjimizden aldığımız güçle çalışmalarımıza devam ediyoruz. Hipokrat Tıp Dergisi ulusal ve uluslararası alanda saygın bir konuma gelerek ülkemizin sağlık alanındaki gelişmesine katkı sağlayacaktır. Dergimize yayın hayatında başarılar dilerim. Saygı ve sevgilerimi sunarım.

Prof. Dr. Süleyman ÖZDEMİR  
REKTÖR

Değerli araştırmacılar ve bilim insanları,

Bandırma Onyedi Eylül Üniversitesi, Tıp Fakültesi olarak henüz çok genç olmamıza rağmen, akademik yaşamın en temel ihtiyaçları olan araştırma ve araştırmanın bilimsel literatürde görünürlüğünün esas aracı olan; bilimsel dergi yayıncılığı için mümkün olan en erken sürede çalışmalarını başlatmış olduğumuz Hipokrat Tıp Dergisi'nin (Hippokrat Medical Journal) ilk ürün hasadı olan ilk sayısında sizlere sesimizi duyurmanın mutluluğunu yaşıyorum.

Sağlık alanı ile ilgili stratejik, tamamlayıcı tıp ve biyoteknolojik konular da dahil olmak üzere multidisipliner yaklaşımla değerli olan tüm çalışmalarınıza yer vermeye gayret göstereceğimiz dergimiz, ağırlıklı olarak İngilizce olmak üzere Türkçe de yazı kabul eden, yılda üç sayı basılan, açık erişimli bir dergidir.

Bilimsel literatüre yapacağımız katkıyı arttırmak ve bu katkıyı her geçen sayımızda daha da değerli kılmak adına çalışmalarımızı devam ettireceğimizi ifade ederken siz değerli yazarlarımızdan da bu çabalarımıza; dergimize kıymetli çalışmalarını göndererek ve dergimizden atıflar yaparak destek olmalarını istiyoruz.

Yayın hayatımıza başladığımız ilk sayımızda gönderdikleri orijinal araştırma makaleleri ile yazarlarımıza, makale değerlendirmeleri ile hakemlerimize, editörlerimize, yayın kurulumuza, dergimizin hayat bulmasında fedakârca emek veren tüm çalışma arkadaşlarıma çok teşekkür ediyor, okurlarımıza keyifli okumalar diliyorum.

Gelecek sayımızda görüşmek üzere selam ve saygılarımla.

#### General Information:

Hippocrates Medical Journal is a scientific journal that publishes retrospective, prospective or experimental research articles, review articles, case reports, editorial comment/discussion, letter to the editor, surgical technique, differential diagnosis, medical book reviews, questions-answers and also current issues of medical agenda from all fields of medicine and aims to reach all national/international institutions and individuals.

The manuscripts may be related to Emergency Medicine, Forensic Medicine, Family Medicine, Algology, Anatomy, Anesthesiology and Reanimation, Neurosurgery, Pediatrics, Dermatology, Infectious Diseases and Clinical Microbiology, Physical Medicine and Rehabilitation, Medical Physiology, General Surgery, Thoracic Surgery, Pulmonary Medicine, Ophthalmology, Public Health, Aviation and Space Medicine, Hematology, Histology and Medical Embryology, Internal Medicine, Obstetrics and Gynecology, Cardiovascular Surgery, Cardiology, Otorhinolaryngology, Neurology, Nuclear Medicine, Orthopedics and Traumatology, Plastic and Reconstructive Surgery, Radiation Oncology, Radiology, Psychiatry, Sports Medicine, Underwater Medicine and Hyperbaric Medicine, Medical Biochemistry, Medical Ecology and Hydroclimatology, Medical Pharmacology, Medical Genetics, Medical Microbiology, Pathology, Urology disciplines and the subdisciplines of all the above mentioned disciplines. It also publishes articles on traditional and complementary medicine practices and scientific fields that include multidisciplinary approaches, including biotechnological issues. The studies related to the disciplines of Dentistry, Nutrition and Dietetics, Health Care Management will be accepted only if they are related to the Preventive Medicine topics.

The journal is published three times a year in April, August and December. The official languages of the journal are Turkish and English, but English manuscripts are preferred. Any processes and submissions about the journal can be made from the website: <https://ojs.bandirma.edu.tr/index.php/hipokrat-tip> Past issues of the journal are also available at this website.

#### Scientific Policies and Ethics Responsibility:

The author(s) undertake(s) all scientific responsibility for themanuscript. All the authors must actively participate in the study. The author(s) guarantee(s) that the manuscript itself or any substantially similar content of the manuscript has not been published or is being considered for publication elsewhere. If the manuscript had been presented in a meeting before; the name, date and the province of the meeting should be noted.

The protocol of the clinical investigations must be approved by the appropriate ethical committee of the related institution. All manuscripts dealing with human subjects must contain, in the Materials and Methods section, a statement indicating that the study has been approved by the committee or there should be a statement that the research was performed following the Declaration of Helsinki principles (<http://www.wma.net/e/policy/b3.htm>). In research work which includes humans,

informed consent must be obtained prior to the study and this should be stated in the text. All papers reporting experiments using animals must include a statement in the Material and Methods section giving assurance that all animals have received humane care in compliance with the Guide for the Care and Use of Laboratory Animals ([www.nap.edu/catalog/5140.html](http://www.nap.edu/catalog/5140.html)) and indicating approval by the institutional ethical review board.

#### Review Process:

The evaluation of the articles submitted to the journal is done in three stages. In the first stage, articles are assessed in terms of the journal publication standards and the articles that do not comply with the writing rules of journal are rejected. After the article is edited according to writing rules of journal, it can be uploaded to the journal with the same name again. In the second stage, the article is evaluated by the editorial board in terms of content and method. The articles that complete the first two stages are sent to the journal referees for the peer review process. If needed, some questions can be asked to the authors to answer; or some defaults may have to be corrected by the authors. The result can be acceptance, minor revision, major revision, rejection in the current form, or rejection. Accepted manuscripts are forwarded for publication; in this stage, all information and data are checked and controlled properly; the proof of the article to be published by the journal are forwarded to the writers for proof reading and corrections.

#### Copyright Statement:

In accordance with the Copyright Act of 1976, the publisher owns the copyright of all published articles. All manuscripts submitted must be accompanied by the "Copyright Transfer and Author Declaration Statement form" (with a blue pen and wet signature by all authors) that is available in <https://ojs.bandirma.edu.tr/index.php/hipokrat-tip> and send it through the ojs website.

- Ethics committee approval certificate should be uploaded to the system for scientific studies except case report / series and review articles.
- Studies for which data collection process is completed before December 2010 will not be accepted.
- Scientific studies should be uploaded to the DergiPark system including the names and surnames of the authors (all author names should be written and only the first letters of all the words (except connectors) in the title of the study.
- An author can only have one article published in an issue where she/he is the first author.
- Priority will be given to the works of the authors, who refer to any study published in the Hippocrates Medical Journal in their studies published in the journals indexed in SCI, SSCI, SCIE, ESCI or A & HCI, (information about the study and the link, if any, should be stated on the Presentation to the Editor Page and e-mail to [hmj@bandirma.edu.tr](mailto:hmj@bandirma.edu.tr)).
- Priority will be given to studies where it is documented that an assistance has been obtained from professional institutions or organizations providing academic editing services in the writing of scientific studies in English, or in English abstracts of Turkish studies. Manuscript Preparation
- Author number for review articles should not exceed three.
- Author number for case report presentation should not exceed six.
- Articles should be written with double line space in 10 font size and right, left, upper and lower margins should all be 2.5 cm. Writing style should be Arial.
- Manuscripts should be written with Microsoft Word (including tables)
- Abbreviations that are used should be defined in parenthesis where the full word is first mentioned.
- Cover Letter: Cover letter should be written with Microsoft Word and should include statements about manuscript category designation, single-journal submission affirmation, conflict of interest statement, sources of outside funding, equipments (if so), approval for language for articles in English and approval for statistical analysis for original research articles.
- Title Page: Title should be written with Microsoft Word. Title also should be concise and informative (in Turkish and English). The title page should include a list of all contributing authors and all of their affiliations. Positions of authors and names of departments and institutions to which they are attached and the province should be written. Supply full correspondence details for the corresponding author, including phone, mobile phone, ORCID number and e-mail address.

#### Statistical Note:

- The statistical method that used should be stated in detail that a knowledgeable reader can confirm the reported results.
- Statistical terms, abbreviations and symbols must be defined. The computer program and statistical method that used should be described completely.
- References to the study design and statistical method should be indicated if possible.
- In the presentation of the results, especially when giving the average and the percentage, 2 digits should be used after the comma in the display of the decimal places (instead of 112.2, such as 112,20 or 112,21).
- The values of p, t and z are exceptions and 3 digits should be given after the comma (instead of p<0.05, exact value like p=0.001).
- Two digits after comma in non-integer representations, three digits after comma in the presentation of statistical values (p, t, z, F, chi-square) and in the presentation of p values, it is necessary to show the exact p value with the test statistic instead of p<0.05 or p> 0.05 (if this value is less than one thousandth, like p<0.001 format).

#### Article Sections:

- The text file should include the title, keywords and abstract both in Turkish and English, the text of the article, references, tables (only one table for one page) and figure legends (if any), respectively.
- Within the text file, the names of the authors, any information about the institutions, the figures and images (jpeg or gif) should be excluded.

#### Original Research Articles:

**Abstract:** Turkish and English abstracts should be given with the title of the study.

Abstracts should be divided into Objective, Materials and Methods, Results and Conclusion and should not exceed 250 words.

**Keywords:** Turkish keywords should be indicated after the Turkish abstract and English keywords should be indicated

after the English abstract.

**Introduction:** In the last paragraph of the introductory section, there should be a specific sentence that states the purpose of the study.

**Materials and Methods:** The type of research, ethical issues (the institution, date and number from which the ethical approval was obtained), statistical analysis methods used should be specified.

#### Results Discussion References

On the last page of the article, the institution, date and number of which the ethical consent was obtained should also be specified.

#### Case Report/Series Articles:

Abstract: Turkish and English abstracts should be given with the title of the article. Abstracts should be single-paragraph and must be 100- 150 words.

Keywords: Turkish keywords should be indicated after the Turkish abstract and English keywords should be indicated after the English abstract.

Introduction Case report Discussion References

\*In case reports, informative volunteer / consent form should be included in the article.

#### Review Articles:

Abstract: Review abstracts should be short and single paragraph, 100-150 words on average, non- sectioned and Turkish (and English) or English only.

Keywords: Turkish keywords should be indicated after the Turkish abstract and English keywords should be indicated after the English abstract.

Introduction

Topic related titles Conclusion References

#### Letter to the Editor:

Letters should not exceed 500 words, excluding references. There is no need to Turkish and English abstracts. The number of references should be limited to 5. A letter can be written by up to 4 authors. Letters to the editor are excluded from the peer review process. However, the editor may ask the authors to respond to the letter when necessary.

#### Keywords:

- They should be minimally 3 and maximally 6 and should be written in Turkish and English.
- The words should be separated by semicolon (;), from each other.
- English key words should be appropriate to "Medical Subject
- Headings (MESH)" ([www.nlm.nih.gov/mesh/MBrowser.html](http://www.nlm.nih.gov/mesh/MBrowser.html)).
- Turkish key words should be appropriate to "Turkey Science Terms" ([www.bilimterimleri.com](http://www.bilimterimleri.com))

#### References:

The authors are required to cite only those references that they can submit to the Journal in the event they are requested to do so. References in the text should be numbered in parentheses ( ) at the end of the sentence and should be listed on a separate page, double-spaced, sequentially in numerical order. All authors should be listed if six or fewer, otherwise list the first six and add the et al. Journal abbreviations should conform to the style used in the Cumulated Index Medicus ([www.icmje.org](http://www.icmje.org)). Onlylist the literature that is published, in press (with the name of the publication known) or with a doi number in references. It is preferred that number of references do not exceed 50 for research articles, 100 for reviews and 20 for case reports.

Follow the styles shown in examples below (please give attention to punctuation): References should be written according to the Vancouver reference style.

Example: Baser A, Elicak S, Baykam MM, Tan FU. Clinical Manifestations of Overactive Bladder With Migraine as a Comorbidity: A Prospective Cross-Sectional Study. *Int Neurourol J*. 2020;24(4):375-381. <https://doi.org/10.5213/inj.2040186.093>.

Format for books; initials of author's names and surnames, chapter title, editor's name, book title, edition, city, publisher, date and pages. Example: Vissers RJ, Abu-Laban RB. Acute and Chronic Pancreatitis. In: Tintinalli JE, Kelen GD, Stapczynski JS (eds.). *Emergency Medicine: A Comprehensive Study Guide*. 6 st ed. New York: McGraw- Hill Co; 2005. p.573-77. Format for on-line-only publications; DOI is the only acceptable on-line reference.

#### Figures, Pictures, Tables and Graphics:

- All figures, pictures, tables and graphics should be cited at the end of the relevant sentence.
- Explanations about figures, pictures, tables and graphics must be placed at the end of the article.
- Figures, pictures/photographs must be added to the system as separate .jpg or .gif files.
- The manuscripts containing color figures/pictures/tables would be published, if accepted by the Journal. In case of publishing colorful artwork, the authors will be asked to pay extra printing costs.
- All abbreviations used, must be listed in explanation which will be placed at the bottom of each figure, picture, table and graphic.
- For figures, pictures, tables and graphics to be reproduced relevant permissions need to be provided. This permission must be mentioned in the explanation.
- Pictures/photographs must be in color, clear and with appropriate contrast to separate details.

#### Conflict of Interest:

If any of the writers have a relationship based on self-interest, this should be explained.

#### Acknowledgment:

Only acknowledge persons and institutions who have made substantial contributions to the study, but was not a writer of the paper.

#### Checklist for Submitted Articles:

- Articles must be complete.
- They must include the following:
  - Cover Letter
  - Title Page
  - Article sections
  - Turkish and English titles
  - Abstract (250 words) (Turkish and English)
  - Keywords (minimum 3; maximum 6)
  - Article divided into sections appropriate (Introduction, Materials and Methods, Results, Discussion, Conclusion)
  - Complete and accurate references and citations
  - List of references styled according to "journal requirements"
  - All figures (with legends) and tables (with titles) cited.
  - "Copyright Form" signed by the responsible author (with a blue pen and wet signature)

**Manuscripts lacking any of the above elements will be rejected from the review process.**
