ARTICLE SUBMISSION ADDRESS

<https://dergipark.org.tr/en/journal/2384/submission/step/manuscript/new>

The interest in our journal, and therefore both the number and quality of our articles, is increasing day by day. Recently, our journal **Anatolian Current Medical Journal (ACMJ)** entered strong indexes. In this issue, we have received 19 original articles from different fields of medicine, and an interesting case report that I believe will guide our colleagues. In addition, there are 6 interesting original articles on COVID-19 that are still up to date. After **Journal of Medicine and Palliative Care (JOMPAC)**, which recently entered TR-Dizin ULAKBİM, we believe that **ACMJ** will soon enter TR-Dizin ULAKBİM. We thank our valuable colleagues who contributed as authors, and to everyone who contributed to the journal.

Best Regards

Prof. Aydın ÇİFCİ, MD
Editor-in-Chief
