AIMS AND SCOPE

Journal of Basic Health (JOB AH) is an international, scientific, open access journal published by Atatürk University Health Services Vocational College. The target audience of the journal includes researchers, who are interested or working all multidisciplinary national and international health sciences (midwifery, nursing, medicine, nutrition and dietetics, physical therapy and rehabilitation, etc.). The JOB AH also includes reviews, editorial short notes and letters to the editor that either as a comment related to recently published articles in our journal or as a case report. It is published 3 times a year and publication language of the journal is English.

Processing and publication are free of charge with the Journal. No fees are requested from the authors at any point throughout the evaluation and publication process. Statements or opinions expressed in the manuscripts published in the Journal reflect the views of the author(s) and not the opinions of the Atatürk University Health Services Vocational College, editors, editorial board, and/or publisher; the editors, editorial board, and publisher disclaim any responsibility or liability for such materials.
