GUIDELINES FOR CONTRIBUTORS

The papers submitted to *Ilahiyat Studies* should make some noticeable contribution to Islamic and religious studies. The papers will be held to imply that it contains original unpublished work and is not being submitted for publication elsewhere.

Since *Ilahiyat Studies* sends all papers for review, a copy should be submitted in a form suitable for sending anonymously to the reviewers. Manuscripts are evaluated by anonymous peer review, therefore, authors must remove all identifying information from their texts. Authors should refer to themselves in the text and citations in the third person. For example, instead of writing "I argue (Nasr 2007)...." write "Nasr (1997) argues..."

All submissions are assessed by referees, but the Editorial board reserves the right to decide what articles will be published.

Unsolicited book reviews may not be published.

Full name(s) of author(s) must be listed, along with university or professional affiliation, address, city, state, country, phone/fax number(s), and email address where you can be reached. Provide a two-sentence biography that we can use in your article. Current information only.

All papers must include an abstract of no more than 150 words.

It is strongly advised that the length of the article should not exceed 12,000 words. Book reviews and conference reports must not exceed 1500 words. All pages should be numbered consecutively.

All papers should have an introductory section in which the objectives and methodology of the article are explained and a final section, which summarizes the main points, discussed and the conclusions reached.

Manuscripts should be typed double-spaced on one side of the A4 only. Tables, graphs and figures should be on separate pages. All submissions should be in MS-Word (2003, 2007 or higher) format. Leave margins of at least 4 cm on top, bottom, and sides.

Text and references must follow the format outlined in *Ilahiyat Studies Style Sheet*, available at

www.ilahiyatstudies.org, the homepage of the journal.

A CSL citation style file for *Ilahiyat Studies* is also available at: <https://www.zotero.org/styles/ilahiyat-studies>, ready for use with CSL-compliant citation managers such as Mendeley or Zotero.

A reference list must be included at the end of the manuscript in the following style:
