hosted by Turkish JournalPark ACADEMIC

International Journal of Assessment Tools in Education

International Journal of Assessment Tools in Education (IJATE) accepts original research on the design, analysis and use of evaluation along with assessment to enhance comprehending of the performance and quality of stakeholders in educational settings. IJATE is pleased to receive discriminating theoretical and empirical manuscripts (quantitative or qualitative) which could direct significant national and international argumentations in educational policy and practice.

IJATE as an online journal is hosted by DergiPark [TUBITAK-ULAKBIM (The Scientific and Technological Research Council of Turkey)].

In IJATE, there is no charged under any procedure for submitting or publishing an article.
