EDITORIAL

Our dear readers,

We are happy to publish the new issue of our journal. JOMPAC has completed 3 years since its establishment. When we look at these three years, it is clearly understood that our journal has come a long way in a positive way. We are getting closer to our scientific goals day by day. In near future, we want to contribute to international literature at an increasing level and to increase the success bar of our journal by entering valuable international indexes such as SCI-Exp and Pubmed. We would like to thank all authors for submitting articles contributing to both domestic and international literature with their comprehensive scientific content for publication in our journal.

Sincerely yours

Assoc. Prof. Alpaslan TANOGLU
Editor-in-Chief

EDİTÖRDEN

Sevgili okuyucularımız,

Dergimizin yeni sayısını yayımlamanın mutluluğunu yaşıyoruz. JOMPAC kuruluşundan bu yana 3 yılı tamamladı. Bu üç yıla baktığımızda dergimizin olumlu anlamda çok yol kat ettiği açıkça görülmektedir. Bilimsel hedeflerimize her geçen gün daha da yaklaşıyoruz. Yakın gelecekte SCI-Exp ve Pubmed gibi değerli uluslararası indekslere girerek uluslararası literatüre artan düzeyde katkı sağlamak ve dergimizin başarı çitasını yükseltmek istiyoruz. Kapsamlı bilimsel içeriği ile hem yerli hem de uluslararası literatüre katkı sağlayan makalelerini dergimizde yayınlanmak üzere gönderen tüm yazarlara teşekkür ederiz.

Saygılarımla

Doç. Dr. Alpaslan TANOĞLU
Baş Editor

Original Article / Özgün Makale

- The utility of ETCO₂ value in predicting the progress of the disease and mortality risk in hospitalized patients with COVID-19 pneumonia..... 292**
Hastanede yatan COVID-19 hastalarında hastalığın ilerlemesini ve mortalite riskini tahmin etmede ETCO₂ değerlerinin kullanılabilirliği
- Holistic analysis of hepatosteatosıs literature: a scientometric study of global hepatosteatosıs publications between 1980 and 2019 300**
Hepatosteatoz literatürün bütünsel analizi: 1980 ve 2019 arasındaki küresel hepatosteatoz yayınlarının scientometrik çalışması
- İmmünglobülin G4 ilişkili hastalıkta nüksü etkileyen faktörler: retrospektif bir analiz 306**
Factors affecting relapse in immunoglobulin G4-related disease: a retrospective analysis
- Radyoterapi uygulanan meme kanserli hastalarda pandemi etkileri 311**
Pandemic effects in breast cancer patients treated with radiotherapy
- Evaluation of laparoscopy results for the patients with chronic pelvic pain 317**
Kronik pelvik ağrılı hastalarda laparoskopı sonuçlarının değerlendirilmesi
- Diyabetik maküla ödeminde arka vitreus dekolmanının rolü..... 322**
The role of the posterior vitreous detachment in diabetic macular edema
