

ARTICLE INDEX/YAZI DİZİNİ

ISSUE/SAYI 2021/1

- The role of chest tomography in the diagnosis of COVID-19.....2022; 3(1): 1-6
- Evaluation of clinicopathological and prognostic significance of RDW in gastric cancer2022; 3(1): 7-15
- The impact of F-18 FDG PET/CT in the restaging of colorectal cancer in patients with suspected recurrence.....2022; 3(1): 16-21
- A retrospective, observational study: early versus late favipiravir in COVID-19 pneumonia.....2022; 3(1): 22-25
- Evaluation of the etiological factors of thyroid gland neoplasms: our clinical experience.....2022; 3(1): 26-32
- Determination of Nursing Practices Regarding Port Catheter Care2022; 3(1): 33-38
- Sağlık bakımı ilişkili enfeksiyonlarda *Staphylococcus aureus* dağılımının irdelenmesi: 6 yıllık deneyim.....2022; 3(1): 39-43
- Pain score and other factors affecting the postoperative discharge time of patients who underwent lung resection:
a retrospective study.....2022; 3(1): 44-49
- Büyük veya komplike abdominal hernilerin tedavisinde anterior komponent seperasyon tekniği etkili mi?.....2022; 3(1): 50-54
- Comparison of lung involvement related to COVID-19 infection in patients using sulfasalazine and biological
agents diagnosed with ankylosing spondylitis.....2022; 3(1): 55-60
- Bir eğitim araştırma hastanesinde diyabetik ayak doku biyopsi enfeksiyonlarının dört yıllık değerlendirilmesi2022; 3(1): 61-65
- The effect of manual lymphatic drainage on the postoperative recovery process following total knee arthroplasty.....2022; 3(1): 66-70
- Görme kaybı ve serebral apse ile seyreden geç tanı konan bir rinoorbitoserebral mukormikozis olgusu2022; 3(1): 71-73
- Synovial antibody index as a marker of synovitis in knee osteoarthritis 2022; 3(1): 74

ISSUE/SAYI 2021/2

- Tip 2 diyabet hastalarında dolaşımdaki B-tipi natriüretik peptidin osteoporoz ile ilişkisi.....2022; 3(2): 75-80
- The significance of haematological parameters and CA 19-9 in assessing vascular invasion and inoperability
in pancreatic cancer.....2022; 3(2): 81-86
- Is it possible to treat night eating disorder and sleep quality with surgery? Benefits of obesity surgery.....2022; 3(2): 87-91
- The relationship between the prognostic nutritional index and the clinical course of COVID-19:
a single-center experience2022; 3(2): 92-97
- Relationship between age at menopause and breast ultrasonography results..... 2022; 3(2): 98-102
- Analysis of global publications on tracheostomy between 1980 and 2021, including the impact of COVID-19:
a bibliometric overview 2022; 3(2): 103-110
- Serum albumin and C-reactive protein/albumin ratio in community-acquired pneumonia..... 2022; 3(2): 111-116
- Systemic sclerosis related interstitial lung disease and nintedanib.....2022; 3(2): 117-121
- Gestasyonel hipertansiyon ve güncel tedavi yaklaşımları.....2022; 3(2): 122-127
- An adolescent case with unexplained ecchymosis: Munchausen syndrome..... 2022; 3(2): 128-131
- A rare tumour of the breast, adenomyoepithelioma: case report and review of the literature 2022; 3(2): 132-134

ISSUE/SAYI 2021/3

- Do high PaCO₂ levels during discharge from the hospital predict medium-term mortality in
chronic respiratory failure patients without domiciliary non-invasive mechanical ventilator? 2022; 3(3): 135-141
- Laboratory changes in older patients using SGLT2 inhibitors 2022; 3(3): 142-146
- The relationship between extended D-dimer elevations and hereditary thrombophilia in COVID-19 patients..... 2022; 3(3): 147-151
- Evaluation of Bethesda IV-V thyroid nodules: clinical experience 2022; 3(3): 152-157
- Retrospective evaluation of pediatric trauma patients: a singlecenter experience of a tertiary
pediatric intensive care unit 2022; 3(3): 158-164
- Comparison of intrahepatic cholestasis incidence and maternal perinatal outcomes in fresh and
frozen embryo transfers..... 2022; 3(3): 165-168
- Investigation of self-esteem and sexual function levels of patients who diagnosed with polycystic ovary syndrome:
a prospective study 2022; 3(3): 169-174
- Outcomes of de novo extended-release tacrolimus use (Advagraf®) in kidney transplantation:
1-year, single-center experience 2022; 3(3): 175-181
- Correlation of subclinic atherosclerosis, proinflammatory status, and insulin resistance with
anthropometric measurements in polycystic ovary syndrome 2022; 3(3): 182-187
- Nailfold capillaroscopic pattern and modified Rodnan skin score associated with deterioration of
right ventricle functions in systemic sclerosis patients without overt pulmonary hypertension 2022; 3(3): 188-194

ISSUE/SAYI 2021/3

Work disability and factors associated with work productivity loss in ankylosing spondylitis.....	2022; 3(3): 195-199
The monocyte/high-density lipoprotein cholesterol ratio in patients with primary hypolipoproteinemia.....	2022; 3(3): 200-205
IL-35 levels and their association with thyroid function tests in Hashimoto's thyroiditis.....	2022; 3(3): 206-210
The effects of the national vaccination program and massive migration on the epidemiology of hepatitis A in children from 2013 to 2018	2022; 3(3): 211-215
Diagnostic value of delta neutrophil index in determining axillary metastases in breast cancer	2022; 3(3): 216-220
Should we have any predictive marker for estimating the severity of community-acquired pneumonia at admission?.....	2022; 3(3): 221-227
A comparison of obstetric and perinatal outcomes of spontaneous and in vitro fertilization (IVF) twin pregnancies.....	2022; 3(3): 228-233
The role of hyperuricemia in acute renal failure	2022; 3(3): 234-240
Treatment results of intensive care patients with cancer undergoing radiotherapy.....	2022; 3(3): 241-246
The effects and differences of kidney transplantation and hemodialysis treatments on quality of life.....	2022; 3(3): 247-253
The knowledge level and attitude of the parents about COVID-19 vaccination in children: a single-center survey study	2022; 3(3): 254-262
The relationship between anti mullerian hormone level and endometrial polyp frequency in patients with polycystic ovary syndrome	2022; 3(3): 263-267
Can PCO2 be a mortality predictor in COVID-19 patients?	2022; 3(3): 268-274
Evaluation of real-life data in patients with severe eosinophilic asthma treated with mepolizumab	2022; 3(3): 275-279
Role of neutrophil-to-lymphocyte, mean platelet volume-to-platelet and platelet-to-lymphocyte ratios as predictors of disease severity in Rotavirus gastroenteritis	2022; 3(3): 280-287
COVID-19 pnömonisi ile birlikte akciğerde kaviter lezyonla seyreden <i>Klebsiella pneumoniae</i> pnömoni olgusu.....	2022; 3(3): 288-291

ISSUE/SAYI 2021/4

The utility of ETCO2 value in predicting the progress of the disease and mortality risk in hospitalized patients with COVID-19 pneumonia	2022; 3(4): 292-299
Holistic analysis of hepatosteatosis literature: a scientometric study of global hepatosteatosis publications between 1980 and 2019.....	2022; 3(4): 300-305
İmmünglobülin G4 ilişkili hastalıkta nüksü etkileyen faktörler: retrospektif bir analiz.....	2022; 3(4): 306-310
Radyoterapi uygulanan meme kanserli hastalarda pandemi etkileri	2022; 3(4): 311-316
Evaluation of laparoscopy results for the patients with chronic pelvic pain	2022; 3(4): 317-321
Diyabetik maküla ödeminde arka vitreus dekolmanının rolü	2022; 3(4): 322-327
An investigation of cardiac effects in patients presenting to the pandemic clinic with suspected COVID-19	2022; 3(4): 328-334
The C-reactive protein-to-albumin ratio predicts one-year mortality in living donor kidney transplantation	2022; 3(4): 335-340
Neuroprotective effect of methanol extract of Capparis spinosa L. fruits in an in-vitro experimental model of Parkinson's disease.....	2022; 3(4): 341-346
Exploring clinical and laboratory findings and treatment outcomes in pregnant inpatients with COVID-19: a single-center experience	2022; 3(4): 347-353
Evaluation of the measurement of tendon and ligament thicknesses and the presence of enthesitis in lower extremities in female patients with acne vulgaris: a randomized controlled trial	2022; 3(4): 354-358
Twenty-year analysis of the rarely diagnosed nutcracker syndrome.....	2022; 3(4): 359-365
Virtual learning in ophthalmology training during the time of COVID-19: a perspective of clinicians' at a tertiary referral eye hospital, a cross-sectional study.....	2022; 3(4): 366-371
Pediatric palyatif bakımda verilen hizmet kalitesini belirleyen faktörler.....	2022; 3(4): 372-375
Diş hekimliğinde esansiyel yağların kullanımı.....	2022; 3(4): 376-380
Relationship between periodontal disease and vitamin D.....	2022; 3(4): 381-385
Platelet-rich fibrin and its use in dentistry.....	2022; 3(4): 386-393
End-of-life care in pediatric palliative care	2022; 3(4): 394-398
