

CONTENTS

The Phoenix of Konya Selcuk University Faculty of Medicine.....	1
Nephroprotective Effect of Astaxanthin Against Radiotherapy Via TAS, TOS (Biochemical), TNF- α , CASPASE-3 (Immunohistochemical), SIRT-1-P53 (Molecular) Pathway in Rats	14
Evaluation of Pediatric Patients with Foreign Body in External Auditory Canal	21
The Evaluation Retinal Toxicity of Intravitreal Infliximab Injection.....	25
Evaluation of Clinical Manifestations, Radiological Features, and Outcomes of Posterior Reversible Encephalopathy Syndrome (PRES).....	30
Use of National Early Warning Score and Perfusion Index in Predicting Outcomes of Elderly Emergency Department Patients	36
Is There Any Association Between the Jugular and Sigmoid Notch Areas and Intracranial Hemorrhage Side?.....	41
Death Anxiety of Nursing Students Returning to Clinical Practice During the COVID-19 Pandemic Period	44
Characteristics of Patients Administrated Thrombolytics in the Emergency Department	51
Investigation of Thromboembolic Events in COVID-19 Infected Patients.....	56
Neurological Evaluation of Children Followed Up For Speech Retardation.....	61
The Effects of Spinal Anaesthesia and Tourniquet Use on Optic Nerve Sheath Diameter in Total Knee Replacement Cases	67
The Effects of Different End Tidal CO ₂ Values on Hemodynamics and Surgery in Endoscopic Endonasal Transsphenoidal Pituitary Surgery.....	72
The Relationship Between Mean Platelet Volume/Platelet Count (MPV/PLT) Ratio and Peripheral Artery Disease.....	76
Breast Self-Examination and Breast Cancer Awareness in Medical Students: A Survey Study in a Medical School	82
Investigation of Trapezius Muscle Strength in Elite and Sub-Elite Female Weightlifters.....	87
The Effect of Dexmedetomidine on Oxidative Balance in Lung, Liver and Heart: Rat Sepsis Model.....	95
Comparison of Monocyte/Hdl-C Ratios in Sub-Groups of Ischemic Stroke According to Etiology	100
How Covid 19 Fear Affected Nutritional Support in Healthcare Professionals	106
Erratum: Evaluation of Visual Evoked Potentials in Children with Neurofibromatosis Type 1 and Comparison With Radiological Findings.....	113
Generalized Tonic-Clonic Seizures Cause Lumbar Spine Fracture	114
