Alternatif Politika dergisi, bir grup akademisyen tarafından disiplinler arası çalışmalara ilişkin süreli yayınların azlığı nedeniyle doğan ihtiyacı karşılamak üzere oluşturulmuş, dört ayda bir yayınlanan uluslararası hakemli bir dergidir. Siyaset bilimini merkez alarak, kültürel çalışmalar, medya, uluslararası ilişkiler, sosyoloji, sosyal psikoloji, ekonomi politik ve antropoloji gibi disiplinleri de kapsayan yayınlar yapmayı amaçlayan dergi, adı geçen alanların her boyutuyla ilgili kuramsal ve analitik çalışmaların yanı sıra, kitap incelemelerine de yer vermektedir.

Alternatif Politika dergisinin amacı, yayınladığı konularda hem bilimsel çalışmalar için akademik zemin hazırlamak hem de söz konusu görüşlerin paylaşılmasını sağlayarak yeni açılımlar yaratmaktır. Bu bağlamda, teorik çalışmalara olduğu kadar, alan çalışmalarına da yer vermek amacındadır.

**Alternatif Politika** (Alternative Politics) is an interdisciplinary international journal committed to publishing high-quality research papers in all areas of politics and international relations, as well as papers that cut across other disciplines such as cultural studies, geopolitics, and political economy. The journal's editorial philosophy is to support a pluralistic approach to the political science discipline and debate. The editor particularly welcomes submissions that are inventive in their approach, cross traditional disciplinary boundaries, evaluate the relationship between domestic and international politics, or offer comparative perspectives.

Alternatif Politika is a tri-annual, “open access” scholarly journal and regularly published in February, June and October. It also prepares some special issues during the year. All articles published in this journal are free for everyone to read, download, copy, distribute, print, search, or link to the full texts of its articles. The journal does not have article processing charges or submission charges. The authors are not paid royalties.

The journal accepts submissions only by email:
