EDITORIAL

Our Dear Readers,

First of all, I congratulate you all on your holiday. We are proud to publish the third issue of JOMPAC in 2023. As you know, our journal is published 6 times per a year. We are getting closer to our scientific goals day by day. In near future, we want to contribute to international literature at an increasing level and to increase the success bar of our journal by entering valuable international indexes such as SCI-Expanded, ESCI and Pubmed, Scopus. We would like to thank all authors for submitting articles contributing to their comprehensive scientific article for publication in our journal. We would also like to thank everyone who contributed to the journal.

Kind Regards

Professor Aydın ÇİFCİ, MD
Editor in Chief

Original Article

Evaluation of the relationship between insulin resistance and different phenotypes of polycystic ovary syndrome..... 183

Comparison of laparoscopic versus open Burch colposuspension techniques for female stress or mixed urinary incontinence: a ten-year experience in a tertiary center..... 189

Monocyte-to-HDL-cholesterol as a predictor of disease severity in acute pancreatitis 196

Retrospective comparison of extrafamilial and intrafamilial incest abuse 201

Factors affecting the progression of chronic kidney disease..... 207

Morphometric analysis and clinical significance of the os sacrum..... 211

The correlation between medical students’ bowel habits and chronic constipation 219

Profile of critically ill children in the pediatric intensive care unit: a tertiary-care single-center experience 224

Aortic valve regurgitation frequency following catheter ablation of premature ventricular complexes originating from coronary cusps 229

Comorbidity of lipedema and fibromyalgia; effects on disease severity, pain and health-related quality of life..... 234

The relationship between prognostic nutritional index and mortality in geriatric COVID-19 patients 241

Can myometrial thickness measurement predict the amount of postpartum hemorrhage and delivery type?..... 246
