Atatürk University Journal of Agricultural Faculty

AIMS AND SCOPE

Journal of Animal Science and Economics is a scientific, open access, online-only periodical published in accordance with independent, unbiased, and double-blinded peer-review principles. The journal is an official publication of the Atatürk University Faculty of Agriculture, Department of Animal Science and published biannually in February and July. The publication languages of the journal are Turkish and English.

Journal of Animal Science and Economics aims to contribute to the literature by publishing manuscripts at the highest scientific level in animal science and technology, as well as livestock economics. The journal publishes original articles and reviews that are prepared in accordance with ethical guidelines. The scope of the journal includes but not limited to relevant to the topics of animal breeding and improvement, feeds and animal nutrition, biometrics and genetics, beekeeping, feed technology, feed additives, fishery, animal behaviors, animal welfare, animal and meadow-pasture relationship, organization in animal husbandry, smart agricultural practices in livestock, farm tourism, reproductive biology and control, organic livestock production, animal biotechnology, livestock economy, animal health.

The target audience of the journal includes researchers and specialists who are interested or working in all fields in the journal's scope.

Journal of Animal Science and Economics currently indexed in EBSCO.

The editorial and publication processes of the journal are shaped in accordance with the guidelines of the Council of Science Editors (CSE), Committee on Publication Ethics (COPE), European Association of Science Editors (EASE), and National Information Standards Organization (NISO). The journal is in conformity with the Principles of Transparency and Best Practice in Scholarly Publishing (doaj.org/bestpractice).

All expenses of the journal are covered by the Atatürk University. Processing and publication are free of charge with the journal. No fees are requested from the authors at any point throughout the evaluation and publication process. All manuscripts must be submitted via the online submission system, which is available at <https://animscienco-ataunipress.org/EN>. The journal guidelines, technical information, and the required forms are available on the journal's web page.

Disclaimer

Statements or opinions expressed in the manuscripts published in the journal reflect the views of the author(s) and not the opinions of the editors, editorial board, and/or publisher; the editors, editorial board, and publisher disclaim any responsibility or liability for such materials.

Open Access Statement

Journal of Animal Science and Economics is an open access publication, and the journal's publication model is based on Budapest Access Initiative (BOAI) declaration. All published content is available online, free of charge at <https://animscienco-ataunipress.org/EN>. Authors retain the copyright of their published work in the Journal of Animal Science and Economics. The journal's content is licensed under a Creative Commons Attribution-NonCommercial (CC BY-NC) 4.0 International License which permits third parties to share and adapt the content for non-commercial purposes by giving the appropriate credit to the original work.

From January 2023 onwards, content is licensed under a Creative Commons CC BY-NC 4.0 license. The journal's back content was published under a traditional copyright license however the archive is available for free access.
