## **EDITORIAL**

---

We are proud to publish the fifth issue of our journal, Journal of Medicine and Palliative Care (JOMPAC), in 2023. Our journal is published 6 issues a year. We aim to enter valuable international indexes such as SCI-Expanded, Scopus, ESCI, PubMed and contribute even more to international literature. Currently, it is included in many national and international indexes.

The quality of articles in our journal increases with each passing issue. We strive to publish articles that will contribute to the scientific literature and receive citations from international journals. I would like to thank the editors who contributed to the creation of the issues, the authors who contributed by sending articles, and everyone who contributed at any stage.

Sincerely

**Prof. Dr. Aydın ÇİFCİ**
