## **EDITORIAL**

Our Dear Readers,

We proud to publish the our journal's last issue of 2023 with new strong articles. As known, this is the sixth year of our valuable journal and we are working hard for far horizons. Every year we are trying to boost our scientific level enormously. As we have mentioned previously, we are successfully contributing to the international literature by valuable manuscripts. We are constantly working to raise our scientific bar and to increase the success of our journal by entering valuable international indexes . We would like to thank all the authors who contributed to the strengthening of our journal by sending articles from both domestic and abroad.

Sincerely Yours,

**Prof. Dr. Alpaslan TANOĞLU**
