Advances in Women's Studies

Formerly: Atatürk University Journal of Women's Studies
Official journal of Atatürk University Women's Studies Application and Research Center

AIMS AND SCOPE

Advances in Women's Studies is a peer reviewed, open access, online-only journal published by the Atatürk University.

Advances in Women's Studies is a biannual journal published in both English and Turkish. The journal has issues in June and December.

Journal History

As of 2022, the journal has changed its title to Advances in Women's Studies.

Current Title (2022-...)

Advances in Women's Studies

EISSN: 2822-4426

Previous Title (2019-2021)

Atatürk University Journal of Women's Research/Atatürk Üniversitesi Kadın Araştırmaları Dergisi

EISSN: 2687-5225

Advances in Women's Studies is currently indexed in DOAJ, EBSCO and China National Knowledge Infrastructure (CNKI).

Advances in Women's Studies aims to make a contribution to the existing literature by publishing high-quality manuscripts that focus on research and studies covering all aspects of women's studies. The journal publishes original articles, reviews, case reports, letters to the editors, and book reviews that adhere to ethical guidelines. The scope of the journal encompasses various disciplines, such as sociology, philosophy, history, language and literature, art, cultural studies, law, political science, economy, health, play, theater, film, and other related areas.

The journal's target audience includes academics, researchers, professionals, students, as well as relevant professional and academic bodies and institutions.

Disclaimer

The statements or opinions expressed in the manuscripts published in the journal reflect the views of the author(s) and not the views of the editors, editorial board, and/or publisher. The editors, editorial board, and publisher are not responsible for the content of the manuscripts and do not necessarily endorse the views expressed in them. It is the responsibility of the authors to ensure that their work is accurate and well-researched, and the views expressed in their manuscripts are their own. The editors, editorial board, and publisher simply provide a platform for the authors to share their work with the scientific community.

Open Access Statement

Advances in Women's Studies is an open access publication.

Starting on June 2022, all content published in the journal is licensed under the Creative Commons Attribution-NonCommercial (CC BY-NC) 4.0 International License which allows third parties to use the content for non-commercial purposes as long as they give credit to the original work. This license allows for the content to be shared and adapted for non-commercial purposes, promoting the dissemination and use of the research published in the journal.

The content published before June 2022 was licensed under a traditional copyright, but the archive is still available for free access.

All published content is available online, free of charge at <https://womensresearch-ataunipress.org/EN>.

You can find the current version of the Instructions to Authors at <https://womensresearch-ataunipress.org/en/instructions-to-authors-106>
