

SHEF EDITOR,

Respected People of Science and Dear Readers

Our international peer-reviewed **Journal JIA (IJIA)** has been published since 2016 twice a year with its summer and winter issues and as of December 31st, our 17th issue volume 8 has been published.

Since the first issue, all articles published in our journal have been assigned DOI numbers after a thorough evaluation process. Due to our publishing principles, each article is sent to reviewers chosen from a total list of almost 500 academics and the names of contributing reviewers are listed in the generic page of each issue.

Our Winter issue dated NOVEMBER/DECEMBER 2023 consists of four original and two review articles in the fields of Cinema, Ceramics, Music, Textile and Fashion Design, Gastronomy and Theatre. Our journal, which has left behind its eighth year in academic publishing, has become eligible for academic incentives and associate professorship application criteria and has started to be indexed among international refereed academic journals.

We present our happiness of having published our 17th issue with the hope of its contributions to the realms of science and arts. I would like to thank all the people who have contributed to the publication process, especially to our editor **Assoc. Prof. Dr. Çimen BAYBURTLU**, Assoc. Prof. Dr. Zafer ÖZOMAY and Assoc. Prof. Dr. Ceren Tekin KARAGÖZ, our assistant editor Sebahat YAVUZ, Assoc.
