PLANARCH

Design and Planning Research

AIMS AND SCOPE

PLANARCH - Design and Planning Research is a scientific, open access, online-only periodical published in accordance with independent, unbiased, and double-blinded peer-review principles. The journal is official publication of the Atatürk University, Faculty of Architecture and Design and published biannually in March and September. The publication languages of the journal are Turkish and English.

PLANARCH - Design and Planning Research aims to contribute to the literature by publishing manuscripts at the highest scientific level in architecture, planning and design. The journal publishes original articles, and reviews that are prepared in accordance with ethical guidelines. The scope of the journal includes but not limited to relevant to the topics of planning and design, conservation and renovation, building, technology and design of building systems, industrial product design and technologies, and all other related interdisciplinary theoretical, implementation and historical researches.

The target audience of the journal includes researchers and specialists who are interested or working in all fields of architecture, planning and design.

PLANARCH - Design and Planning Research is currently indexed in DOAJ, EBSCO, ERIH Plus, TUBITAK ULAKBIM TR Index and China National Knowledge Infrastructure (CNKI).

The editorial and publication processes of the journal are shaped in accordance with the guidelines of the Council of Science Editors (CSE), Committee on Publication Ethics (COPE), European Association of Science Editors (EASE), and National Information Standards Organization (NISO). The journal is in conformity with the Principles of Transparency and Best Practice in Scholarly Publishing (doaj.org/bestpractice).

Disclaimer

Statements or opinions expressed in the manuscripts published in the journal reflect the views of the author(s) and not the opinions of the editors, editorial board, and/or publisher; the editors, editorial board, and publisher disclaim any responsibility or liability for such materials.

Open Access Statement

PLANARCH - Design and Planning Research is an open access publication, and the journal's publication model is based on Budapest Access Initiative (BOAI) declaration. All published content is available online, free of charge at <https://dergipark.org.tr/en/pub/planarch>. Authors retain the copyright of their published work in the PLANARCH - Design and Planning Research. The journal's content is licensed under a Creative Commons Attribution-Non Commercial (CC BY-NC) 4.0 International License which permits third parties to share and adapt the content for non-commercial purposes by giving the appropriate credit to the original work.

From January 2022 onwards, content is licensed under a Creative Commons CC BY-NC 4.0 license. The journal's back content was published under a traditional copyright license however the archive is available for free access.
