## About the Advances in Women's Studies

Advances in Women's Studies is a peer reviewed, open access, online-only journal published by the Atatürk University.

Advances in Women's Studies is a biannual journal published in both English and Turkish. The journal has issues in June and December.

## Aims, Scope, and Audience

Advances in Women's Studies aims to make a contribution to the existing literature by publishing high-quality manuscripts that focus on research and studies covering all aspects of women's studies. The journal publishes original articles, reviews, case reports, letters to the editors, and book reviews that adhere to ethical guidelines. The scope of the journal encompasses various disciplines, such as sociology, philosophy, history, language and literature, art, cultural studies, law, political science, economy, health, play, theater, film, and other related areas.

The journal's target audience includes academics, researchers, professionals, students, as well as relevant professional and academic bodies and institutions.
