Iğdır Üniversitesi Tarım Bilimleri Dergisi

Agro Science Journal of Igdir University

Agro-Science Journal of Iğdır University is an open-access and double-blind reviewed international journal that has been published electronically twice a year (June and December) since 2022. The Agro-Science Journal of Iğdır University publishes high-quality, original, and widely influential manuscripts in all areas of agricultural science as an international peer-reviewed journal, covering unpublished or prospective publications that include innovation or emerging technology. The Agro-Science Journal of Iğdır University facilitates the sharing of scientific research across a wide range of languages by accepting articles in both Turkish and English. Manuscripts are accessible with open access and can be downloaded in full text.
