The New Journal of Urology is an international peer-reviewed journal, published triannually (in February, June, October). Publication languages is English. All responsibility for the submitted and published content rests solely with the author(s).
Published content can be cited provided that appropriate reference is given.

Indexed by
TÜBİTAK-ULAKBİM TR-Dizin, DOAJ, EBSCO, Index Copernicus, SCILIT, Google Scholar, Türk Medline Pleksus, Türkiye Atıf Dizini, SOBIAD, OAJI, İdeal Online, EuroPub, J-GATE

OPEN ACCESS

Dear Colleagues,

We are pleased to have published the second issue of The New Journal of Urology for 2024. This issue includes five (5) original articles and one (1) case report. We believe that all the current articles will be read with interest and these articles are expected to contribute to the literature and serve as a reference for future studies.

The New Urology Journal has been indexed in the TÜBİTAK-ULAKBİM TR Index since the first issue of 2011. Our journal is indexed in Google Scholar, Turkish Medline, Turkish Citation Index, SOBIAD, OAJI, İdeal Online Database, EuroPub, J-GATE, and DOAJ databases, EBSCO and InfoBase Index. In addition, the New Journal of Urology is in collaboration with the Orcid and CrossRef DOI systems. The indexing process of our journal in ESCI, Pubmed, and EMBASE continues. The editorial team is very grateful to all the authors and reviewers who have contributed to this issue.

We are aware that this is a painstaking effort, and we cannot thank you enough for it. We request that you submit your articles to The New Journal of Urology, take timely and rigorous action as a referee, and read the articles published in the journal and cite them where appropriate.

Respectfully yours,

Ali İhsan Taşçı
Editor-in-Chief
