## **EDİTÖRDEN / FROM THE EDITOR**

Dear Readers and Esteemed Writers,

We greet you once again with a new issue. With this new edition of our journal, we continue to work tirelessly to provide you with even more valuable content. The support and interest we receive from you places greater responsibility on us, and we act with full awareness of this responsibility.

Each new issue, with its rich content and diverse topics, aims to offer you more knowledge, thoughts, and experiences. In this edition, the articles compiled with contributions from our expert writers in various fields not only address current issues but also become enriched with different perspectives. We believe you will read these selected academic works with great interest.

We strive to fulfill our responsibilities to further develop our journal, provide you with quality content, and enrich it by bringing together various perspectives. Each article and each reader's opinion is an important step towards advancing our journal.

We are excited to be on this journey with you and emphasize that we are open to all criticisms. With the feedback we receive from you, we will continue to pursue our goal of becoming a stronger and more impactful journal.

The primary aim of our journal is to share knowledge and bring together ideas. We thank our writers for their efforts. As always, we are grateful to the esteemed scientists who reviewed the articles in this issue for their support and interest.

We hope this issue brings you enjoyable moments and new perspectives. We wish you a pleasant read and look forward to your feedback.

Sincerely,

**Chief Editor**  
Dr. Sinan ÖZYURT
