IJHSRP is an open access journal. This journal licensed under creative common 4.0 International (CC BY 4.0) license. Articles published under an Open Access licence are made freely available online immediately upon publication, without subscription barriers to access. Authors who chose to publish under an open access licence freely available online has accepted to sign an open access licence agreement.

You are free to share and adapt for any purpose, even commercially.

Under the following terms:

Attribution — You must give appropriate credit, provide a link to the license, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

No additional restrictions — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.

Notices:

You do not have to comply with the license for elements of the material in the public domain or where your use is permitted by an applicable exception or limitation.

No warranties are given. The license may not give you all of the permissions necessary for your intended use. For example, other rights such as publicity, privacy, or moral rights may limit how you use the material.
