

Special Issue for Memoriam dedicated to Prof. Dr. Kadriye Tuzlakođlu

It is with a profound sense of loss and heartfelt reverence that we dedicate this special memorial issue to our beloved friend and colleague, Prof. Dr. Kadriye Tuzlakođlu, a pioneering scientist in the fields of biomaterials and tissue engineering. Dr. Tuzlakođlu lived with boundless generosity and a steadfast commitment to the scientific community, always striving to advance our understanding and knowledge.

As we reflect on the nearly two years since her loss, we invite you to join us in honoring Dr. Tuzlakođlu's memory and finding inspiration in the extraordinary example she set. Dr. Tuzlakođlu's contributions to science and humanity will continue to resonate, reminding us of her many contributions and the lasting legacy Dr. Tuzlakođlu leaves behind.

With the deepest respect and admiration,
