

SUBJECT INDEX

Title

| | |
|--|-----|
| A cross-sectional survey of eating behaviors and psychological factors among young people some psychological factors and eating behaviors..... | 231 |
| A retrospective analysis of 500 ERCP procedures: outcomes, adverse events, and risk factors over two years..... | 309 |
| Acute fibrinous and organizing pneumonia..... | 144 |
| Analyzing the efficacy of transforaminal lumbar interbody fusion (TLIF) surgery for degenerative spondylolisthesis based on clinical outcomes and spinopelvic metrics..... | 314 |
| Assessment of biomarkers indicating activation of the complement system in pregnant women with fetal growth restriction..... | 129 |
| Assessment of depression and anxiety and their relationship with functional status in patients with stroke..... | 198 |
| Comparison of clinical and functional outcomes of patients who underwent plate osteosynthesis and intramedullary nailing for forearm fractures..... | 65 |
| Comparison of st. John's wort oil and thiocilline ointment on wound healing in a diabetic rat model..... | 208 |
| Comparison of the results of early and elective endoscopic retrograde cholangiopancreatography in patients with mild cholangitis..... | 112 |
| Comparison of three different doses of cis-atracurium under isoflurane anesthesia..... | 29 |
| Determination of the timing for thoracic imaging prior to pulmonary metastasectomy: an analysis on surgical planning and lesion detection..... | 91 |
| Diagnostic performance of whole blood viscosity indices in predicting the presence and severity of coronary artery disease..... | 48 |
| Does the prevalence of subclinical coronary atherosclerosis increase in primary hyperparathyroidism; coronary flow reserve and plasma atherogenic index in patients with primary hyperparathyroidism?..... | 1 |
| Effect of vitamin D deficiency on uric acid/HDL cholesterol ratio..... | 177 |
| Effects of hematological parameters on long term mortality in acute ischemic stroke patients..... | 277 |
| Effects of two different grafts on radiological and functional outcomes in the surgical treatment of calcaneus fractures..... | 284 |
| Entecavir induced gynecomastia-triggering factor or coincidence?..... | 147 |
| Evaluation of clinical characteristics and treatment patterns of patients infected with hepatitis B..... | 42 |
| Evaluation of metabolic parameters of microsatellites stable and unstable colorectal cancer patients via PET/CT..... | 124 |
| Examining the relationship between the atherogenic index of plasma and coronary plaque burden: insights from a retrospective intravascular ultrasound analysis..... | 23 |
| Exploring attitudes towards infertility: insights from a primary healthcare setting..... | 193 |
| Factors affecting the accuracy of estimated fetal weight in small for gestational age (SGA) fetuses..... | 294 |
| Functional balance and quality of life in breast cancer survivors..... | 226 |
| Impact of obstructive sleep apnea risk on prognosis and treatment responses of lung cancer..... | 97 |
| Impaired left ventricular function in lean women with PCOS: insights from speckle tracking echocardiography..... | 214 |
| Indicators of prolonged hospital stay and rehospitalizations in hyperemesis gravidarum..... | 238 |
| Management and reproductive outcomes following cesarean scar pregnancy: experiences of two tertiary centers in a cohort of 60 women..... | 256 |
| Neurosarcoidosis..... | 288 |
| Neutrophil-to-lymphocyte ratio as a predictor of progression in patients with early-stage cervical cancer..... | 203 |
| Obesity among adolescent students in private and public schools investigation of awareness: a cross-sectional study..... | 72 |
| Outcomes of fetal non-cardiac thoracic abnormalities: a single center experience..... | 80 |
| Pan-immune inflammatory value a new diagnostic biomarker in postmenopausal osteoporosis..... | 105 |
| Perioperative risk factors for acute kidney injury in major abdominal surgeries: a retrospective observational study..... | 160 |
| Persistent iatrogenic atrial septal defect after cryoballoon ablation for atrial fibrillation..... | 118 |
| Prediction of long-term ischemic stroke with estimated whole blood viscosity in heart failure patients..... | 16 |
| Predictive value of platelet/albumin ratio in coronary slow-flow patients..... | 304 |
| Pre-operative pulmonary risk assessment in surgery patients..... | 135 |
| Risk factor for stress incontinence in female patients over 65 years of age: visceral adiposity index..... | 299 |
| Safety of partial selective COX-2 inhibitors in patients with cross-reactive NSAID hypersensitivity and factors affecting safety..... | 9 |
| The assessment of serum uric acid-to-HDL cholesterol ratio as a new predictor of mortality in ST-elevation myocardial infarction: a cross-sectional study..... | 57 |
| The characteristics of patients undergoing endobronchial ultrasonography-guided transbronchial needle aspiration (EBUS-TBNA): single-center experience..... | 155 |
| The diagnosis and treatment of idiopathic pulmonary fibrosis..... | 85 |
| The frequency of structural causes (PALM) according to figo palm-coein classification in patients undergoing hysterectomy for abnormal uterine bleeding..... | 172 |
| The impact of non-pharmacological interventions on quality of life in dementia: a review of evidence and outcomes..... | 327 |
| The power of serum albumin levels in predicting mortality in critical patients..... | 166 |
| The predictive role of systemic immune-inflammation index in non-ischemic cardiomyopathy..... | 36 |
| The relationship between hemoglobin to red cell distribution width (RDW) ratio (HRR) and prognosis in patients with acute coronary syndrome..... | 188 |

Title

| | |
|---|-----|
| The relationship between triglyceride/high-density lipoprotein cholesterol ratio and the functional significance of coronary lesions | 149 |
| The role of cardiothoracic ratio in predicting coronary artery atherosclerosis in young adult patients | 182 |
| The role of clinical and radiological risk factors and triglyceride-glucose index in predicting recurrence of idiopathic granulomatous mastitis | 247 |
| Trends in pediatric kidney stone research between 2004-2023: a bibliometric study..... | 265 |
| Vaginal axis on MRI after laparoscopic pectopexy surgery: a controlled study | 219 |
