### ***Publication information***

*The objective of Eurasian Journal of Science Engineering and Technology (EJSET) is to provide an academic environment for researchers in various fields of science and engineering and for the publication and dissemination of high-quality research results in the fields of science, applied science, engineering, architecture, agricultural science and technology.*

## CONTENTS/İÇİNDEKİLER

---

Re-examining the law of energy conservation-A Euclidean geometric proof

(Research Article)

**Alex Mwololo KIMUYA**

001-035

---

Enhancing optoelectronic performance: Structural and optical properties of MZO thin films

(Research Article)

**Ali ALTUNTEPE, Serkan ERKAN**

036-040

---

Effect of microwave roasting and different solvents on the extraction of bioactive compounds from date seed

(Research Article)

**Gözde DOĞANAY, Hande BALTACIOĞLU**

041-046

---

Characterization of physiochemical properties of Cactus Cladodes (*Opuntia ficus indica*) grown in Antalya

(Research Article)

**Şehriban Gül BAĞIRSAKCI, Salih KARASU, Erkan KARACABEY**

047-052

---

A traditional food: *Köfter* (*Köftür*), A grape-based central Anatolian dessert

(Review Article)
