Contents

Evaluating the build-own-operate model for nuclear power plant projects; A case study of Türkiye's first nuclear power plant agreement with Russia / Pages:957-970 / Mahmut Cüneyt Kahraman (Research Article)

Do financial development, trade openness, and institutional quality matter for energy consumption in Central Asia? / Pages:971-995 / Şerife Özşahin, Emel Akbal (Research Article)

Life cycle assessment of photovoltaic systems of various sizes: An environmental and economic perspective on an educational building in a hot climate / Pages:997-1042 / Muhammed Enes Umcu, Ugur Acar, Önder Kaşka (Research Article)

Optimization of ethyl ester production from linseed oil using the Taguchi method with an L16 orthogonal design matrix / Pages:1043-1071 / Zeki Yılbaşı (Research Article)

Fabrication and characterization of Ni-based electrodes for improved NiZn battery performance / Pages:1073-1102 / Gizem Cihanoğlu (Research Article)

Optimizing nuclear fuel disposal: A multiobjective approach for sustainable solutions / Pages:1103-1123 / Manolya Güldürek (Research Article)

Design of a hybrid renewable energy system and green hydrogen production for smart cities: A carbon emission reduction approach / Pages:1125-1158 / Furkan Dincer, Emre Ozer (Research Article)

A roadmap for the utilization of renewable energy sources for the sustainable development of Turkey's electricity energy system / Pages:1159-1183 / Emine Ertane Baş, Şeyma Emeç, Vecihi Yiğit (Research Article)

Numerical investigation of in-cylinder swirl motion under cold start conditions in a diesel engine / Pages:1185-1202 / Fatih Aktas, Zeynep Aytac Yilmaz, Nuri Yucel (Research Article)

Novel Hybrid MPPT based on modified incremental conductance-grey wolf optimization for grid connected PV systems / Pages:1203-1225 / Ahmad M. Nezam, Yunus Yalman (Research Article)

A novel mathematical model for boiling water reactor design and performance optimization / Pages:1227-1243 / Manolya Güldürek (Research Article)

An academic approach to the relationship between energy poverty and health / Pages:1245-1260 / Mustafa Kaya, Aysun Kandemir Türe (Research Article)

Bibliometric analysis of energy efficiency in the context of developed and developing countries / Pages:1261-1287 / Özlem Aydın (Review Article)
