

We are delighted to present to you the valuable research articles from various disciplines in the field of healthcare. In this issue of our journal, besides the research article, 5 important articles consisting of research and review articles were published.

I would like to thank the experienced researchers who contributed to these studies, the scientific reviewers who examined these valuable studies, and all the teams who contributed to our journal.

In the process of evaluating our journal by international indexes, our enthusiasm as a team continues to increase.

I wish all our partners healthy days in the light of scientific research.
