Shadow Economies in Turkic Republics:
Governance, Institutions, Trust, and Policy Responses

Eurasian Research Journal is an international refereed journal of regional studies aiming to publish research articles, review articles, and book reviews in the fields of foreign policy, economics, energy, security, transportation, politics and sociology in the Eurasian region with particular focus on Turkic – speaking countries. It is published quarterly in January, April, July and October. Contributions and articles submitted to the Eurasian Research Journal are first evaluated by the Editorial Board with regard to their compliance with the publishing principles, and those found acceptable are forwarded to at least two referees for blind review. The names of referees and also their reports are kept on record for five years. The authors are responsible for opinions stated in the articles published in the journal.
