Wan Ng- University of Technology Sydney, Australia

Kamisah OSMAN - National University of Malaysia, Malaysia

Technical Support

S.Ahmet Kiray – Necmettin Erbakan University

Journal of Education in Science, Environment and Health (JESEH)

The Journal of Education in Science, Environment and Health (JESEH) is a peer-reviewed and online free journal. The JESEH is published quarterly in January, April, July and October. The language of the journal is English only. As an open access journal, Journal of Education in Science, Environment and Health (JESEH) does not charge article submission or processing fees. JESEH is a non-profit journal and publication is completely free of charge.

The JESEH welcomes any research papers on education in science, environment and health using techniques from and applications in any technical knowledge domain: original theoretical works, literature reviews, research reports, social issues, psychological issues, curricula, learning environments, book reviews, and review articles. The articles should be original, unpublished, and not in consideration for publication elsewhere at the time of submission to the JESEH.

Abstracting/ Indexing

Journal of Education in Science, Environment and Health (JESEH) is indexed by following abstracting and indexing services: SOBIAD, Scientific Indexing Service (SIS), Education Resources Information Center (ERIC).

Submissions

All submissions should be in electronic (.Doc or .Docx) format. Submissions in PDF and other non-editable formats are not acceptable. Manuscripts can be submitted through the journal website. All manuscripts should use the latest APA style. The manuscript template for formatting is available on the journal website.
