## Articles

**Bergüzar Yılmaz,  
Ozan Ünsalan**

Computational Raman spectrum of Alitame

154-162

## Review

**Ali Jaber**

Application of Matrix-Assisted Laser Desorption Ionization  
in microbiological domain

133-153

**Ceren Kamil, Ozan  
Ünsalan**

A short review on enstatite and pyroxene in L6 chondrites  
studied by Raman Spectroscopy

163-170
