Abstract

Mathematical Sciences And Applications E-Notes (MSAEN) is a fully-refereed electronic journal. (MSAEN) is devoted to the high quality publication of current research developments in the all fields of Mathematics and applications in all interdisciplinary areas. The journal is published four times a year.

This is an example of a numbered first-level heading.

1.1 This is a numbered second-level section head

This is an example of a numbered second-level heading.

This is an unnumbered second-level section head

This is an example of an unnumbered second-level heading.

1.1.1 This is a numbered third-level section head

This is an example of a numbered third-level heading.

Lemma 1.1. *Example of the lemma*

$$\sum f(x) = 0 \tag{1.1}$$

Definition 1.1. This is an example of a definition.

Remark 1.1. This is an example of a remark element.
