Copyright Transfer and Authorship Form

Article Title:
.....

We, the authors, hereby submit the above-mentioned article for consideration and agree to the following terms:

- The copyright of the published article remains with the author(s) under the Creative Commons Attribution-NonCommercial-ShareAlike 4.0 International License (CC BY-NC-SA 4.0).
- The authors assign the exclusive right to authorize any commercial use of the article to *Geriatric Science Association (Geriatrik Bilimler Dernegi)* if the article is accepted for publication.

Terms:

1. If accepted for publication by the *Journal of Geriatric Science*, the article will be published under the CC BY-NC-SA 4.0 license. Users may read, download, copy, distribute, print, search, link to, or use the full text of the article for any lawful non-commercial purpose without prior permission from the publisher or the authors. This is in line with the principles of open access as defined by the Budapest Open Access Initiative (BOAI).
2. The article processing fee covers the administrative and technical costs of publication. This fee ensures that the article remains openly accessible and is distributed under the CC BY-NC-SA 4.0 license.
3. The authors bear full scientific, ethical, and legal responsibility for the article.
4. The authors confirm that all necessary permissions have been obtained from the copyright holders (individuals or organizations) for any contents (text, pictures, figures, tables, graphics, etc.) taken from other sources in the article, and accept full financial and legal responsibility for these materials.
5. The article has been prepared in accordance with the journal's editorial and formatting guidelines.
6. Once the manuscript is submitted, no changes can be made to the author list, order, or manuscript content at any stage, except as specified in this copyright transfer form.
7. The article is original, has not been previously published in any language, and is not currently under consideration for publication elsewhere.
8. During the editorial or peer-review process, the editor may, if deemed necessary, request changes to the journal section or publication category.
9. If the other authors cannot be reached, the corresponding author confirms that all authors are aware of all stages of the study and agree to their respective responsibilities.
10. All authors must sign this form in the order listed in the manuscript.
