As the authors, we submit the above-mentioned article for evaluation and accept the following terms.

- The intellectual copyright of the published article belongs to the authors under the Creative Commons Attribution-NonCommercial-ShareAlike 4.0 International License (CC BY-NC-SA 4.0).
- The authors transfer the right to authorize all commercial use of the article to the Journal of Harran University Medical Faculty, if the article is accepted for publication.

Terms:

- If the publication is accepted by the "Journal of Harran University Medical Faculty", the article will be published under the CC BY-NC-SA 4.0 license. Without prior permission from the publisher or the authors, users can read, download, copy, distribute, print, search, link to, or use the full text of the article for any lawful non-commercial purpose. It is compatible with the open access principles defined by the Budapest Open Access Initiative (BOAI).
- The authors assume full scientific, ethical, and legal responsibility for the article.
- The authors confirm that all necessary permissions have been obtained from the copyright holders (individuals or organizations) for any content (text, image, figure, table, graph, etc.) taken from other sources in the article, and they fully accept the financial and legal responsibility for these materials.
- The article has been prepared in accordance with the writing and formatting rules of the Journal of Harran University Medical Faculty.
- In the article; unless otherwise stated in this copyright transfer form, no changes can be made at any stage to the author list, its order, or the content of the text after submission.
- The article is original, has not been previously published in any language, and is not currently under evaluation for publication elsewhere.

Journal of Harran University Medical Faculty Copyright Transfer and Authorship Form

- During the editorial or peer review process, the editor may request a change in the article section or publication category if deemed necessary.
- In case other authors cannot be reached, the corresponding author confirms that all authors are informed about all stages of the work and have accepted their respective responsibilities.
- All authors must sign this form in the order they are listed in the article.
