Retracted Article: Vatandaş, S. (2020). From Historical and Sociological Reality to Virtuality of The Digital Age: Virtualization of The Community. *Ağrı İbrahim Çeçen Üniversitesi Sosyal Bilimler Enstitüsü Dergisi*, 6(1), 333-354. <https://doi.org/10.31463/aicusbed.674956>

It has brought to the attention of the Editorial Office of Journal of Ağrı İbrahim Çeçen University Social Sciences Institute that the retracted article lacked several references which were included in in-text citations. Further communications revealed that the intensity and diversity of errors within the article were immense. The extent of these errors in article were beyond correction by an erratum and enough to raise significant questions about the credibility of the foundations of the article.

Hence, due to apparent violation of ethical practices, above mentioned article is retracted by the editor of Contemporary Educational Technology. We apologize to our readers that this case was not detected during pre-publication.
