### TÜRKİYE CUMHURİYETİ KÜLTÜR BAKANLIĞI TEDA PROJESİ DAHİLİNDE TÜRKÇEDEN BAŞKA DİLLERE YAPILAN EDEBÎ ÇEVİRİLERİ ANALİZİ

ANALYSIS OF LITERATURE TRANSLATIONS IN TURKISH  
WITH OTHER LANGUAGES IN THE MINISTRY OF CULTURE OF  
REPUBLIC TURKEY PROJECT

Dr. Ömer KÜÇÜKMEHMETOĞLU\*

#### Özet

Türk edebiyatının yabancı dillere tercümesi son yıllarda yükselen bir seviyede seyretmektedir. Küreselleşen dünya içerisinde Türkiye'nin dış ticaret hacminin artması ve dünya ile etkileşimi kaliteli tercüme ihtiyacını doğurmaktadır. Ülkemizde tercüme artık bir sektör olarak ele alınmakta, tercüme büroları kurulmakta resmi kurumlar, üniversiteler tercüme projelerine destek vermektedirler. Mütercimlik bir meslek hâline dönüşmeye, mütercimler dernek, vakıf gibi sivil toplum örgütleri kurarak teşkilatlanmaktadır. Bildiride TEDA projesi dahilinde Türk edebiyatından diğer dillere tercüme edilen eserler ve projenin etkileri, kapsamı inceleneciktir.

**Anahtar Kelimeler:** Kültür Bakanlığı, TEDA Projesi, Türk Edebiyatı, Çeviri.

#### Summary

The translation of Turkish literature into foreign languages has been on a rising level in recent years. The increase in Turkey's foreign trade volume in the globalized world and its interaction with the world is creating the need for quality translation. In our country, translation is now considered as a sector, translation agency is established, and official institutions and universities are supporting the translation projects. Translatorship is transformed into a profession, and translators are organized by establishing non-governmental organizations such as associations and foundations. Within the framework of the TEDA project, the declaration will examine the effects and the scope of the works translated from Turkish literature into other languages and the project.

**Key words:** Ministry of Culture, TEDA Project, Turkish Literature, Translation.

Tercüme kelime anlamı olarak Türkçe sözlükte bir metni veya sözü bir dilden başka bir dile çevirme, demektir (MEB Sözlük, 1996).

Tercüme (terceme) kelimesinin klasik dönemlerde “çeviri” anlamında kullanılmış kullanılmadığı tartışmalı olmakla birlikte Câhiz'in (ö. 255/869) Kitâbü'l-Hayevân adlı eserinde (75-78) kelime defalarca geçmekte, ayrıca “nakıl” ve “tahvil” kelimeleri kullanılarak tam bir tercüme

felsefesi yapılmaktadır. Başta Ibnü'n-Nedîm'in el-Fîhrîst'i olmak üzere klasik kaynakların çoğunda nakıl kavramı tercüme yerine kullanılmıştır. Ibnü'n-Nedîm'in eserinde (el-Fîhrîst, s. 111) tercüme lafzinin, sadece Ebû Abdullâh Müfeccâ' isimli bir dilciye atfettiği Kitâbî't-Tercümân fî menâni'ssi'r adlı eseri nitelendirmek için teknik anlamda geçtiği görülmektedir. Kelimenin etimolojisinden de anlaşılacağı gibi tercümeye bir şeyin, durumun veya anlamın bir yerden bir yere, bir şeyden bir şeye aktarılması söz konusudur. Buradan hareketle tercümenin, münasebeti olan iki şeyin birbirine nisbetini yansittığı farkedilebilir. Teknik anlamda "tercüme hareketleri" denildiğinde genel olarak medeniyetlerin ve kültürlerin birbirleriyle karşılaşış temas kurmaları sırasında birikim ürünü eserlerin karşılıklı nakledilmesi anlaşılmaktadır (Macit, 2011).

Dikkatle incelendiğinde görülür ki tercüme bir başkalaşma ve başkalaştırmadan ibarettir. Bir mütercim, kaynak bir dil içindeki anlam ve mesajı karşı bir dile aktarmak için, kaynak dilin sesbirimlerini karşı dilin sesbirimleriyle değiştirir. Bu işlem tercümenin esasını teşkil eder (Gürbüz, 2010).

Çeviri tarihi insanlık tarihi kadar eskidir. İletişimin var olduğu andan itibaren çeşitli kültür ve toplumlar birbirleriyle anlaşabilmek için çeviriye başvurmuş ve bu sayede birbirlerini anlayabilmişlerdir. Çeviri pratiğinin millattan önce 1.yüzyılda yaşamış olan Cicero'ya kadar uzandığı göz önüne alındığında, çevirinin köklü bir geçmişe sahip olduğu ve daha o dönemlerde toplumları şekillendirip dönüşturmeye başladığı söylenebilir. Ancak çevirinin bilim olarak kabul görmesi ve akademik bir disiplin statüsü kazanması ancak 20.yüzyılın ikinci yarısında mümkün olabildi. Akademik bir statü elde eden çeviri alanı, çeviri pratiğine duyulan ihtiyacı da geçmişe oranla artırmıştır. Bunda o dönemde yaşanan tarihsel olaylar ve gelişmeler de etkilidir. Çeviri pratiğine duyulan ihtiyaç 21.yüzyılda daha büyük boyutlara ulaşmıştır. Teknolojik gelişmelerin ve uluslararası yakınlaşmanın arttığı bu dönemde özellikle gelişmekte olan ülkeler, diğer ülkelerdeki (bilhassa gelişmiş) gelişmelerden haberdar olmak ve yeni ortama ayak uydurmak için çeviri piyasasına eskiye oranla daha çok önem vermiştir (Ersoy, Odacıoğlu, 2014).

Goethe Yunanca'dan Aristofanes, Euripedes, Pindar, Fransızca'dan Voltaire, Diderot, İtalyaca'dan Cellini ve Manzonis'i; Rilke Fransızca'dan Gide, Valery, İngilizce'den Barrett-Browning ve Labés'i; Benjamin Fransızca'dan Proust, Balzac ve Baudelaire'i Almanca'ya çevirmiştir. Dünya yazınının tanınmış yazarlarından ve yazın alanında Nobel ödüllü olmuş olan Böll (1972) ve Canetti (1981) de çeviri ile uğraşmışlardır. Böll,

karısı Annemarie ile Salinger'in, Canetti ise Sinclair'in yapıtlarını Almanca'ya çevirmişlerdir (Yücel, 2007).

TEDA Programı, Türk kültür, sanat ve edebiyatının klasik ve çağdaş eserlerinin ilgili ülkelerin tanınmış yayınevlerince Türkçe dışındaki dillere çevrilmesi, o dilin konuşıldığı ülke veya ülkelerde yayımlanması ve tanıtılması esasına dayalı bir çeviri ve yayım destek programıdır.

Çevirmen Kadir Gültiken tarafından Farsçaya tercüme edilmiştir. Eser "Yunus Emre'nin Seçilmiş Şiirleri" adıyla 2008 yılında "Moheg International Press Co." Yayınları arasında basılmıştır.

Ahmet Hamdi Tanpinar'ın "Saatleri Ayarlama Enstitüsü" adlı eseri Gerhard Meier tarafından Almanca tercüme edilmiş ve 2008 yılında Carl Hanser Verlag yayınları arasında çıkmıştır. Ayrıca [www.hanser.de](http://www.hanser.de) web adresinden çevirmen ve kültürel çalışmalarla ilgili ayrıntılı bilgi alınabilir.

TEDA projesi kapsamında yurt dışında yayımlanmış şiir ve öykülerin listesini derledik. Bu listeyi aşağıda siz değerli katılımcılarla paylaşıyoruz.

### **Sonuç:**

Kültür Bakanlığı TEDA Projesi Türk kültür hazinelerinin dünya mirasına aktarılmasına hizmet etmektedir. Ayrıca yeterli destekler sağlandığında kurumsal bir yapının bünyesinde gerçekleştirilen çalışmaların daha tez başarıya ulaştığını görüyoruz. Türk Edebiyatının yabancı dillere çeviri projesinin yanı sıra yabancı edebiyatların da Türkçeye çevirisiyle ilgili projelerin kurumlar tarafından desteklenmesi bu süreci hızlandıracaktır. Ayrıca Azerbaycan, Kazak, Kırgız, Tatar ve diğer Türk halklarının eserlerinin Türkçeye çevrilmesiyle ilgili projelerin artması ve desteklerin sağlanması Türk Dünyasının kendi içerisinde birbirini tanıma sürecine güç kazandıracaktır.

Сонғы жылдары түрік әдебиетінің шет тілдерге аударылу мәселесі жоғары деңгейде көрініс тауып келеді. Жаһанданған әлемнің қатарындағы Түркияның сыртқы сауда көлемінің артуы және оның әлемдік аренага деген ықпалының нағайесінде сапалы аудармада деген сұраныс туындал отыр. Сондықтан еліміз аударма мәселесін назарға ала отырып, оны өз алдына бір сектор ретінде қарастырып, соның аясында құрылған аударма агенттіктеріне ресми институттар мен жоғарғы окуорындары аударма жобаларына қолдау жасап келеді. Ал, аудармашылық мамандыққа айналып, аудармашылар бірлестіктер, қауымдастықтар мен қорлар секілді үкіметтік емес ұйымдарды құру арқылы ұйымдастырып келеді. Мақаламызда ТЕДА жобасы аясында түрік әдебиетінен шет тілдерге аударылған шығармалар мен жобаның ықпалы мен ауқымы зерттелетін болады.

### **Аннотация**

В последние годы проблемы перевода турецкой литературы на иностранные языки находится на высоком уровне. Увеличение объема внешней торговли Турции в глобализованном мире и его взаимодействие с миром, создает потребность в качественном переводе. Рассматривая проблему переводов, наша страна рассматривает ее как отдельный сектор, в рамках которой официальные учреждения и высшие учебные заведения оказывают поддержку действующим бюро переводов в переводческих проектах. Переводческое дело превращается в профессию, а переводчики организуются путем создания таких неправительственных организаций, как ассоциации и фонды. В статье будут рассмотрены последствия и масштаб работ и проектов, переведенных на турецкий язык из турецкой литературы в рамках проекта ТЕДА.

**Ключевые слова:** Министерство культуры, проект ТЕДА, турецкая литература, перевод.
