---

Dear Members of the Anatomy Family,

The 10th Anatomy Winter Days meeting will be held between 17–19 March 2022, hosted by Hatay Mustafa Kemal University Tayfur Ata Sökmen Medical Faculty Anatomy Department of with the contributions of the Turkish Anatomy and Clinical Anatomy Society. The main theme of the meeting was determined as “Anatomy and Clinical Sciences”.

We are honored and happy to host all the esteemed members of the Anatomy family and their guests in the 10th Anatomy Winter Days meeting, which will be held face-to-face, in Antakya, a city of tolerance that has been awarded by UNESCO as a city of Gastronomy and fascinates with its historical and cultural richness and natural beauty.

Prof. Dr. Senem Erdoğan Koç  
Congress President
