

Joint Meeting of Anatomical Societies, 19-22 May 2011, Bursa, Turkey

Anatomy 2010; 4: 76, © 2010 TSACA

Dear Colleagues,

We are pleased to announce the official Joint Meeting of Anatomical Societies of six different countries which will take place in 19-22 May, 2011 in Bursa, Turkey. Anatomical Society of Great Britain and Ireland (ASGBI), Anatomische Gesellschaft (AG), the Italian Society of Anatomy and Histology (SIAI), the Spanish Anatomical Society (SAE), the Swiss Society of Histology, Anatomy and Embryology (SSAHE/SGAHE) are gathering under the hosting of the Turkish Society of Anatomy and Clinical Anatomy (TSACA).

More than 600 participants are expected to take part in this particular event holding the very heart of the anatomical community with distinguished scientists as invited speakers. The main theme of the congress is neuroanatomy with particular emphasis on neuroendocrinology. The neuroanatomy education and visualization techniques would be the sub-groups.

The official language of the congress is English, including lectures and printed materials.

The meeting will take place in the convention center of the Uludag University, Bursa, aiming to keep the scientific mood alive during the sessions while evenings would be lively enough to forget the harsh realities under sunshine.

The official website of the Joint Meeting of Anatomical Societies www.jointmeeting2011bursa.org allows you to proceed with online registration. Online abstract submission is also available on the same web site.

Please note that the deadline for the early registration is 15th February 2011.

You can contact the organizing company Flap Tour (jointmeeting2011@flaptour.com.tr) for your inquiries about the registration, accommodation, pre- or post congress tours.

For any scientific matters, please forward all of your questions to Secretary General, Ayberk Kurt, MD (ayberk@uludag.edu.tr).

We sincerely look forward to sharing wonderful days with you both scientifically and socially and greeting you together with all our colleagues in Bursa.

Erdoğan Şendimir, MD
