In the article entitled “EEG-Based Familiar and Unfamiliar Face Analysis: Classification Using RMS Features with Artificial Neural Networks and Random Forest,” published in Uludağ University Journal of The Faculty of Engineering with DOI: 10.17482/uumfd.1573758, the acknowledgment statement regarding the doctoral scholarship support was unintentionally omitted during the publication process.

The acknowledgment statement not included in the original article should read as follows:

FUNDINGS

This study was supported by The Scientific and Technological Research Council of Türkiye (TÜBİTAK), The Directorate of Science Fellowships and Grant Programmes (BİDEB), under the 2211-C National PhD Scholarship Program in the Priority Fields in Science and Technology.

This correction is limited only to the addition of the above acknowledgment/funding statement, and no change has been made to the scientific content of the article.
