Yıl/Year: 2019 • Cilt/Volume: 9 • Sayı/Issue: 1

Bitlis Eren University Journal of Science and Technology (Bitlis Eren Univ J Sci & Technol) is an international, refereed open access electronic journal. Research results, reviews and short communications in the fields of Biology (Medicinal, Molecular and Genetics, Veterinary and Agriculture), Physics, Chemistry, Mathematics and Statistics, and also Engineering Sciences are accepted for review and publication. Papers will be published in English. Scientific quality and scientific significance are the primary criteria for publication. Articles with a suitable balance of practice and theory are preferred. Manuscripts previously published in other journals and as book sections will not be accepted.
