Eurasian Journal of Forest Science

Eurasian Journal of Forest Science is published 3 times per year in the electronic media.

This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge.

In submitting the manuscript, the authors certify that:

They are authorized by their coauthors to enter into these arrangements. The work described has not been published before (except in the form of an abstract or as part of a published lecture, review or thesis), that it is not under consideration for publication elsewhere, that its publication has been approved by all the authors and by the responsible authorities tacitly or explicitly of the institutes where the work has been carried out. They secure the right to reproduce any material that has already been published or copyrighted elsewhere.

The names and email addresses entered in this journal site will be used exclusively for the stated purposes of this journal and will not be made available for any other purpose or to any other party. The conditions are granted by the editorial management of the journal within our privacy principals.

Eurasian Journal of Forest Science is a member of ULAKBIM DergiPark and is listed in the TR-DİZİN of TUBITAK and indexed in Index Copernicus.
