From the editor

Dear readers,

We are very happy to present you the 49th issue of the Journal of Van Yüzüncü Yıl University Social Sciences Institute.

As was the case in the previous issues, the articles in this issue have gone through a serious review process. The issue now consists of 20 articles from different disciplines all of which shed light on important aspects in their fields. Having said that, I would like to thank the authors, reviewers and editors who meticulously worked on these studies.

Hoping to meet you in our new issues...

Ömer Obuz
Editor-in-Chief
