

ARTICLE INDEX/YAZI DİZİNİ

ISSUE/SAYI 2020/1

Is IGF-1 level actually lowered in the early stage following an acute myocardial infarction and is IGF-1 associated with the left ventricle dysfunction or cardiac events?	3(1): 1-6
Hemodiyaliz hastalarında intravenöz kalsitriolden oral kalsitriole geçiş: etkili, güvenilir ve maliyet etkin dönüşüm	3(1): 7-11
HIV pozitif hastalarda HHV-6 prevalansı ve varyant tiplerinin belirlenmesi	3(1): 12-15
Doğurganlık çağındaki kadınlarda toksoplazma, rubella ve sitomegalovirüs seroprevalansının araştırılması	3(1): 16-19
İlaç kaynaklı tıbbi hata/olay bildirimlerin Dünya Sağlık Örgütü "Hasta Güvenliği Uluslararası Sınıflandırması"na göre değerlendirilmesi	3(1): 20-25
Increased gastrointestinal symptom frequency in diabetes mellitus even with good glycemic control	3(1): 26-30
Serum levels of ischemia-modified albumin and prolidase in migraine subjects	3(1): 31-35
Three non-invasive methods in the evaluation of subclinical cardiovascular disease in patients with diabetic retinopathy: endothelial dysfunction, serum E-selectin level and monocyte to HDL ratio	3(1): 36-41
The effect of smoking on platelet reactivity assessed by p2y12 platelet function testing in patient with clopidogrel therapy	3(1): 42-46
The evaluation of association between body mass index and clinical parameters in women underwent myomectomy	3(1): 47-50
Mean platelet volume and platelet distribution width as mortality predictors in intensive care unit	3(1): 51-55
Evaluations of pregnancy admitted to perinatology clinics that pregnant have fetal anomalies	3(1): 56-61
Kemik metastazlı olgularda palyatif radyoterapi uygulamalarının retrospektif değerlendirmesi: tek merkez deneyimi	3(1): 62-66
Kronik yorgunluk sendromuna genel yaklaşım ve adolesanlarda görülme sıklığı	3(1): 67-70
Sperm değerlendirme testleri; dünden bugüne	3(1): 71-76
Vertebroziler hipoplazi bulunan olguda unilateral vertebral arter diseksiyonuna bağlı beyin sapı enfarktının radyolojik bulguları	3(1): 77-79
Asymptomatic retroperitoneal hemorrhage in a hemodialysis patient: a case report	3(1): 80-82
Diyabetik bir hastada her görme kaybı diyabete bağlı değildir: vaka sunumu, dev suprasellar kitle, menenjiom	3(1): 83-85
Kırım Kongo kanamalı ateş ile herpes zoster oftalmikus birlikteliği	3(1): 86-88
Aterosklerotik koroner arter hastalığı ile karışan koroner vazospazm olgusu	3(1): 89-91

ISSUE/SAYI 2020/2

The relationship between serum homocysteine levels and development of coronary collateral circulation in patients with acute coronary syndrome	3(2): 92-96
Effects of tryptophan, a precursor for melatonin, on IVF outcomes and Doppler parameters	3(2): 97-101
Factors influencing study of physiotherapy and preferred choice of specialization among final year physiotherapy students in Nigeria	3(2): 102-108
Monocyte to HDL ratio as an indicator of subclinical atherosclerosis in diabetic retinopathy	3(2): 109-114
The significance of ankle-brachial index in determining peripheral artery disease in patients with type 2 diabetes mellitus over 40 years of age and the relationship of peripheral	3(2): 115-120
Interobserver reliability in the ultrasonography evaluation with Graf method of developmental dysplasia of the hip: the importance of education for ultrasonography classification	3(2): 121-124
Konsantr büyüme faktörünün random patern cilt flep yaşayabilirliği üzerine etkisi: deneysel çalışma	3(2): 125-131
Radyoterapi çalışanlarının maruz kaldığı radyasyon miktarının dozimetrik değerlendirilmesi	3(2): 132-136
The value of late phase imaging with FDG-PET/CT in liver metastases of colorectal carcinoma	3(2): 137-143
Dahiliye polikliniğine başvuran tip 2 diyabet hastalarında başvuru anındaki klinik ve laboratuvar verilerinin retrospektif incelenmesi	3(2): 144-147
Rheum ribes L.'nin etanol ekstraktlarının malign melanoma hücreleri üzerine anti-kanser etkinliği	3(2): 148-152
Prevalence and risk factors of hemodynamic instability during endoscopic transsphenoidal pituitary surgery: a retrospective analysis	3(2): 153-157
Noninvasive assesment in differentiating benign and malignant pancreatic lesions with endosonographic elastography score and strain ratio	3(2): 158-165
The effects of dialysis modalities on sexual hormone levels in male patients	3(2): 166-171
Investigation of the neutrophil/lymphocyte and monocyte to high-density lipoprotein cholesterol ratios in differentiated thyroid cancers	3(2): 172-175
Distraksiyon ostejenezisi ve güncel maksillofasyal bölge uygulamaları: sistematik derleme	3(2): 176-182
Kistik fibrozis hastalığında tıbbi beslenme tedavisi	3(2): 183-186
Cervical aortic arch	3(2): 187-189
A rare cause of severe earache: a tick in the external auditory canal	3(2): 190-192
Sodium valproate use may result in hyponatremia	3(2): 193-195

ISSUE/SAYI 2020/3

Gross tumour volume and poorly differentiated clusters can indicate high-risk patients for poor survival in pT1-2 rectal carcinomas.....	3(3): 196-202
Yoğun bakım ünitesinde takip edilen ergen ilaç intoksikasyonlarının retrospektif değerlendirilmesi.....	3(3): 203-208
Can biochemical biomarkers predict mortality in percutaneous dilatational tracheostomies?.....	3(3): 209-215
The effect of classical Turkish and Western music on university students'exam stress level, blood pressure and pulse rate: a randomized controlled trial.....	3(3): 216-220
The relationship between blood groups and acute myeloid leukemia.....	3(3): 221-224
Evaluation of hip angles with magnetic resonance imaging in femoroacetabular impingement syndrome.....	3(3): 225-230
The importance of the chosen statistical methods in medical research: study over modelling in estimation superficial varicose vein risk factors in young male population.....	3(3): 231-239
The level of anxiety and depression in patients admitted to an infertility clinic.....	3(3): 240-244
Alerjik rinit ve astım olan hastalarda prick testi sonuçlarımız.....	3(3): 245-249
Kolorektal kanserlere bağlı gelişen akut sol kolon obstrüksiyonlarının retrospektif analizi.....	3(3): 250-255
Polikistik over sendromunda inflamatuvar belirteçlerin serum seviyeleri ve monosit/yüksek yağlılık lipoprotein oranı.....	3(3): 256-261
The utility of blood D-dimer levels predicting the diagnosis of pulmonary embolism in cancer patients.....	3(3): 262-268
Gaz kromatografi-kütle spektrometresi ile gazdan arındırma ve tutma yöntemiyle Kocaeli bölgesi içme sularında trihalometan analizi.....	3(3): 269-277
Manyetik karıştırma çubuğu ile ekstraksiyon tekniği ile yerüstü sularında sipermetrin analizi.....	3(3): 278-284
Guided therapy in patients with acute heart failure: left ventricular diastolic filling pattern and NT-proBNP.....	3(3): 285-290
The effect of smoking on stem cell mobilization in allogeneic donors.....	3(3): 291-294
Weight loss after intragastric botulinum toxin injection in different weight individuals.....	3(3): 295-300
Do midkine levels in serum and follicular fluid affect IVF/ICSI outcome?.....	3(3): 301-306
P210 breakpoint is associated with less minimal residual disease compared to p190 breakpoint in acute lymphoblastic leukemia patients with Philadelphia chromosome.....	3(3): 307-311
Romatoid artritte nötrofil lenfosit ve platelet lenfosit oranlarının hastalık aktivite indeksine göre değerlendirilmesi.....	3(3): 312-316
The prognostic role of gender, age and physiology index and C-reactive protein/albumin ratio in idiopathic pulmonary fibrosis.....	3(3): 317-323
Enfeksiyon hastalıkları ve klinik mikrobiyoloji kliniğinin konsültasyon iş yükü.....	3(3): 324-329
Does the cervical canal passage axis have an effect on pain sensation in IUD application?: a randomized controlled trial.....	3(3): 330-335
Endemik bölgede tiroid nodüllerinin sonografik özellikleri ve ince iğne aspirasyon biyopsi sonuçlarının değerlendirilmesi.....	3(3): 336-339
Salgın iletişimde sosyal medyanın kullanımı.....	3(3): 340-348
Mondor's disease of breast, a rare case report.....	3(3): 349-351
Nadir bir olgu: Jackhammer özofagus.....	3(3): 352-354
The symptomatic bilaterally occlusive surfer's ear (exostosis of the external auditory canal).....	3(3): 355-357
Ölümün kıyasından dönen gebe Listeria rombensefaliti olgusu.....	3(3): 358-361

ISSUE/SAYI 2020/4

Comparison of the hemostatic suture with non-suture coldknife conization methods for cervical surgery.....	3(4): 362-366
Knowledge, attitude and practices about pharmacovigilance and adverse drug reactions among dental research assistants in a Turkish hospital: a cross-sectional study.....	3(4): 367-371
Seroprevalence of Toxoplasma gondii in HIV-infected patients admitted to a university hospital.....	3(4): 372-376
Evaluation of the timing and indications of antenatal corticosteroid administration.....	3(4): 377-381
Comparison of Gleason scoring and the new grade-group system in prostate cancers: a 15-year retrospective study.....	3(4): 382-388
Predicting vitamin D deficiency through parathormone in the children of a small city located in the warm climate belt of Northern Hemisphere.....	3(4): 389-394
Anticipated decrease in surgeons: does orthopedic internship affect medical students career choice?.....	3(4): 395-402
Evaluation of the relationship between diastolic dysfunction and interatrial block.....	3(4): 403-408
The effect of erector spinae plane block on cost of percutaneous nephrolithotomy surgery.....	3(4): 409-414
Evaluation of the relationship between uric acid and bone mineral density in postmenopausal women: a single center retrospective study.....	3(4): 415-420
The role of the C-reactive protein/albumin ratio in determining prognosis of patients diagnosed with small cell lung cancer and the relationship with the diameter and suvmax value of primer mass in PET-CT.....	3(4): 421-426
Corneal abrasion risk in septorhinoplasty operations under general anesthesia.....	3(4): 427-431
Is there a relationship between chondroid neoplasia and AB0 blood groups?.....	3(4): 432-435
Factors affecting grade point average among nursing students at college of applied medical science.....	3(4): 436-441
The effect of pilates performed during pregnancy on delivery outcomes.....	3(4): 442-447
Prevalence and risk factors of otitis media with effusion in primary school children in Mersin.....	3(4): 448-453

Pelvic inflammatory disease and contraception: a cross-sectional study in tertiary center.....	3(4): 454-459
The Assessment of the cardioprotective effectiveness of levosimendan on patients with impaired left ventricle functions and less than %40 of ejection fraction who will receive coronary artery bypass graft operation	3(4): 460-465
Radiologic features of symptomatic cholelithiasis: a current perspective	3(4): 466-472
Comparison of affective temperament profiles in male patients with chronic obstructive pulmonary disease according to groups.....	3(4): 473-478
Cardiac presentations mimicking acute coronary syndrome of a giant pheochromocytoma case.....	3(4): 479-482
Unilateral low-frequency hearing loss after spinal anesthesia: a case report	3(4): 483-486
A case of multisystem sarcoidosis on 18F-FDG PET/CT	3(4): 487-489
Skin rashes in COVID-19: a report of three cases	3(4): 490-492
An extremely rare gastric lesion: gastritis cystica profunda.....	3(4): 493-495
Imaging features of catastrophic temporomandibular joint disorder in a case with new classification.....	3(4): 496-498
A rare congenital anomaly of mediastinal vascular structures; isolated retroaortic left brachiocephalic vein	3(4): 499-502
A rare case of adamantinoma in tibia and radiological features.....	3(4): 503-506
